President Burmaster explained that preparations on the 2010-2011 budget began in December. President Burmaster, Vice President Brown, Director of Accounting Van De Loo and administrators have gone over all of the individual budgets line by line. As a result they have reduced budget line items and have reallocated those funds into areas to meet future needs. President Burmaster noted the college has seen an 11.6% enrollment increase this year and is addressing the increased demand with additional sections and other activities.

The increased enrollment, along with inflationary increases in non-discretionary items such as utilities and projected changes in health insurance and labor contracts, have been taken into account in proposing next year's budget. The budget is currently being modeled with a 3.5% increase.

Wisconsin Technical College District Boards Association (WTCDBA) Budget
Via a letter from Paul Gabriel, Executive Director, WTCDBA, and Jean Trempe, President, WTCDBA, board members were asked to review advance information concerning an estimated 2.3% increase in the 2010-2011 Association budget over the current year. The proposed increase is mainly driven by two changes in employee benefit costs: an increase in required Wisconsin Retirement System employer contribution rates and an employee of the Association switching from single to family health insurance coverage. The Association board of directors will vote on the proposed budget at the Spring meeting. A detailed final budget proposal will be sent before that meeting.

Continuous Improvement Review – Criminal Justice Program

Director of Accounting John Van De Loo reviewed a budget comparison of fiscal years  
2009/2010 and 2010/2011. He noted the percentage of change by fund. Operational  
expenditures will be increasing 4.31% along with an increase for all funds at .71%.  
Board Member Bob Martini felt the total percentage increase for all funds was a modest  
increase and complimented administration. Director Van De Loo further explained the  
operational tax levy will increase 3.5%, the debt levy will remain unchanged, and the  
total tax levy will be increasing 3.09%. Director Van De Loo sought direction on  
whether to prepare the budget book with a 0% or -2% property valuation increase. The  
board directed administration to go with -2% valuation increase based on current  
economic conditions. The final 2010/2011 budget will be brought forward for approval  
at the June Board meeting.

7. Group Life Insurance
Human Resources Director Dan Groleau explained that currently the college is paying  
the entire premium for the Basic Plan, for 1 unit of Additional, and for 2 units of  
Spouse/Dependent life insurance coverage. This has been the case since a 2004  
board resolution. Director Groleau asked the board to resolve to pay only the entire  
premium for the Basic Plan, which is what is required per union contract, contingent  
upon the ratification of collective bargaining unit agreements. Additional and  
Spouse/Dependent units of coverage will remain available, and employees may choose  
to pay for this coverage through payroll deduction.

   MARTINI MADE A MOTION, SECONDED BY REACH, THAT THE NICOLET  
   COLLEGE BOARD OF TRUSTEES RESOLVE TO PAY ONLY THE ENTIRE  
   PREMIUM FOR THE BASIC PLAN GROUP LIFE INSURANCE (1 X ANNUAL

Clarification on Student Activity Fees
Community Relations Director Sandy Kinney noted that information provided at last month’s board meeting showed the impact of increasing the student activity fee to 5% of program fees on both vocational/technical credits and on transfer credits. She explained that the fee was initially implemented in 1993 and the practice has been to assess the charge against the “lowest common denominator”, which we have interpreted as the cost per vocational/technical credit fee. Director Kinney stated that even if a student is taking transfer courses, they pay their student activity fee on the cost of a vocational/technical credit, not on the higher cost of a transfer credit. She noted the board resolution passed last month is fine.
