

## **Accreditation Compliance**

The Commission on Dental Accreditation will review complaints that relate to a program's compliance with the accreditation standards. The Commission is interested in the sustained quality and continued improvement of dental and dental-related education programs but does not intervene on behalf of individuals or act as a court of appeal for individuals in matters of admission, appointment, promotion, or dismissal of faculty, staff, or students.

Receipt of third-party comments must be submitted to the Commission office sixty (60) days prior to a scheduled site visit (March 18-19, 2015). Comments must be signed and signatures will be removed from comments prior to forwarding them to the program. Comments must pertain only to the standards for the particular program or policies and procedures used in the Commission's accreditation process.

A copy of the appropriate accreditation standards and/or the Commission's policy and procedure for submission of complaints may be obtained by contacting the Commission at 211 East Chicago Avenue, Chicago, IL 60611-2678 or by calling 1-800-621-8099 extension 4653.
