

Native American Tribal Management Certificate

The Tribal Management certificate recognizes and develops the skills of people who work or plan to work in a tribal environment. Managing tribal organizations is not the same as managing non-tribal organizations. In addition to fundamental management skills, tribal managers must understand how a tribe's social, legal, political, and cultural context shape their work. This certificate is designed to specifically incorporate these understandings.

Required Courses

10-102-140

**Fundamentals of Tribal Management
(3 credits)**

10-102-141

**Advanced Tribal Management
(3 credits)**
