Fall 2014
Electrical Exam Preparation for WI Electrician Licenses
Instructor: Ed Crownhart

The State of Wisconsin now requires anyone in the business of installing electrical systems to carry an electrical license. This class will review basic electrical principles and basic code requirements drawn from the 2011 National Electrical Code (NEC). This class will help you develop critical thinking skills needed to write the licensing exam. Emphasis will be on using SPS 316 and the 2011 NEC to solve exam-type questions. This class is approved for 16 hours of continuing education. 47-413-43500

Prerequisite:
Three or more years of electrical construction experience or enrolled in an electrical apprenticeship program.

Textbooks required: Students are required to purchase textbooks before the first class. These textbooks are not sold at the Nicolet College and will not be sold at the class.

Electrical Exam Preparation (based on the 2011 NEC). Published by Mike Holt Enterprises. Author: Mike Holt. ISBN: 978-1-932685-63-3. (Approximately $59) Available at MikeHolt.com
