

Office Assistant

Technical Diploma

The Office Assistant program prepares students for a variety of administrative tasks in today's rapidly changing workplace. Students learn basic office procedures and essential software skills including word processing, spreadsheets, databases, and desktop publishing. Students learn records management, human relations and communication skills working individually and in a team environment. Office assistants help with routine tasks necessary to keep an office functioning.

Program Outline

TERM 1		
Course #	Course Title	Credits
1010210600	Business Essentials This class helps new Nicolet students make a successful transition to the College.
