

BAKING

Technical Certificate

About the Baking Program

Three core courses (Culinary Career Essentials) develop a sound foundation of kitchen basics in professional baking and pastry arts. Two additional courses concentrate on baking principles and techniques used in bakeries and food service establishments.

PROGRAM OUTLINE

SEMESTER: 1		
Course #	Course Title	Credits
1031612100	Sanitation and Safety Fundamentals Applies sanitary, safety, and legal principles to practices in the food service industry. Successful completion of the course enables students to take a national sanitation certification examination.	2.00
1031612500	Food Theory Food science principles applied to professional culinary food preparation. Units include professional kitchen operation, recipe terminology, and cooking techniques for various food categories.	3.00
1031612600	Food Production Principles Provides practical experience applying food science principles in food preparation, analysis, and evaluation of preparation techniques. Prerequisite(s): 1031612500 Food Theory (C or better) (concurrent enrollment allowed) and 1031612100 Sanitation and Safety Fundamentals (C or better) (concurrent enrollment allowed).	3.00
1031615200	Professional Baking Introduces modern bakeshop principles used to produce quick and yeast breads, restaurant style desserts, and pastries. Products are evaluated for practicality, flavor, presentation, and correct techniques. Prerequisite(s): 1031612600 Food Production Principles (C or better).	3.00
1031615300	Advanced Baking Application and refinement of basic baking knowledge and techniques gained in Professional Baking. Units include rolled-in dough, specialty breads, European-style desserts, petit fours, and decorative work. Prerequisite(s): 1031615200 Professional Baking (C or better).	3.00
Total Credits: 14.00		

Talk with an Academic Advisor about the program outline. Together, you will determine if credits you've already earned satisfy any requirements, discuss possible alternative courses, and choose the best classes if you're thinking of transferring.
