Certified Fire Fighter I

Course #: 4750372000

Course Description:

This 96-hour course prepares the participant to be able to perform fire fighting functions to meet the job performance requirements (JPRs) defined in NFPA 1001, Standard for Fire Fighter Professional Qualifications, Current Edition. The participant must also complete the Hazardous Materials Operation level course in order to meet the remainder of the NFPA Fire Fighter I JPR requirements. Course curriculum is based on the Jones and Bartlett Fundamentals of Firefighter Skills and Hazardous Materials Response, Current Edition.

A written and practical skills certification exam is available to participants who successfully complete this course.

Entry Level Driver Operator Pump Part I (Driving)

Course #: 4750374100

Course Description:

The 12- hour ELDO Part I course will teach the student the safe procedures for driving fire apparatus to the emergency scene and returning to quarters. Class will be a combination of lecture and practical skills. Driving principles will be practiced and demonstrated through six standard driving maneuvers which include: serpentine exercise, alley dock exercise, diminishing clearance exercise and confined space turn-around exercises. The targeted audience is individuals who expect to be appointed to driver/operator-pumper duties on their respective fire departments.
