## DEFINITIONS

**Percent Employed** — Portion of survey respondents available for employment reporting full- or part-time employment approximately 6 months after graduation.

**Percent Employed in Related Occupation** — Portion of survey respondents reporting employment who have a job related to their specific program of study.

**Median Annual Full-time Related Wage** — Of graduates reporting full- time, related jobs, this is the annualized salary of the middle graduate when salaries are ranked from low to high. A minimum of three graduates must have reported full-time related salaries for this value to be reported.

**ABOUT THE DATA** This is a summary of employment-related findings from the WTCS Graduate Outcomes Survey for graduates during the academic year. All graduates were surveyed via phone and/or mail at approximately 6 months after graduation.

Under federally-mandated Student Right-To-Know legislation, Nicolet College makes available to all current and prospective students information on graduate statistics by program.
