

# Psychology Pre-Major

Develop your liberal arts skills in the area of human thinking and behavior in order to work in a variety of careers working with people. Students earning this degree will easily be able to transfer to a bachelor's degree program in a variety of colleges and universities in and outside of the UW System. Program curriculum aligns well with the first two year requirements for psychology related majors and emphasis, including but not limited to Psychology, Human Development, Applied Behavior Analysis, and Human Services.

## Program Outline

| COURSE #   | COURSE TITLE  | CREDITS  |              |         |          |                            |   |          |                          |   |          |                     |   |  |  |   |       |
|--|---|----------|--------------|---------|----------|----------------------------|---|----------|--------------------------|---|----------|---------------------|---|--|--|---|-------|
| 2089010100   | Foundations of University Learning  | 1.00     |              |         |          |                            |   |          |                          |   |          |                     |   |  |  |   |       |
| 2080121900   | English Composition I<br>Develops expository writing and critical thinking skills, including clarity, concision, concreteness, and completeness of expression, supported by reasoning, organization, and language conventions. Lecture.   | 3.00     |              |         |          |                            |   |          |                          |   |          |                     |   |  |  |   |       |
| 2080122300   | English Composition II<br>Advances composition skills, emphasizing well-reasoned argumentative research papers. Lecture. Credits: 3. Prerequisite(s): 2080121900 English Composition I (D- or better) or 1080119500 Written Communication (B or better).  | 3.00     |              |         |          |                            |   |          |                          |   |          |                     |   |  |  |   |       |
| 2081020100   | Fundamentals of Speech<br>Examines theory and process of communication, the role of speech in self- development, the art of persuasion, topic selection, the use of research-based evidence, and audience analysis. Includes organizing speech content, speech delivery, and critique via presentation of informative and persuasive speeches and development of effective extemporaneous speaking style. Students gain self-confidence, proficiency, and poise.  | 3.00     |              |         |          |                            |   |          |                          |   |          |                     |   |  |  |   |       |
| N/A  | Humanities<br>Must include courses in at least two disciplines: art, history, journalism/writing, literature, music, philosophy, theatre/film, world language.<br><a href="#">View Courses and Descriptions (PDF)</a>   | 12.00    |              |         |          |                            |   |          |                          |   |          |                     |   |  |  |   |       |
