NICOLET COLLEGE

Biology Pre-Major

The following pre-major is a recommended course sequence within your Associate of Science degree that has been developed in partnership with UW-Stevens Point. It helps students complete their associate degree while preparing for a bachelor's degree in biological science.

Pre-majors are available only for select majors and universities. If your intended major or transfer institution is not UW-Stevens Point, your Success Coach can help you build a personalized transfer plan utilizing some or all of the same coursework.

Program Outline

COURSE #	COURSE TITLE	CREDITS
2089010100	Foundations of University Learning	1.00
20801219	English Composition I Develops expository writing and critical thinking skills, including clarity, concision, concreteness, and completeness of expression, supported by reasoning, organization, and language conventions. Lecture.	3.00
