The Director of Financial Aid is expected and required to make reasonable decisions that support the intent of the provision. The school is held accountable for all professional judgment decisions made and for fully documenting each decision. The decision of the Director of Financial Aid is final; there is no appeal process to the U.S. Department of Education.

Please note this form does not guarantee that your request will be approved, or that you will be eligible for additional aid. In many cases professional judgment adjustments made to the FAFSA do not result in significant changes to the Expected Family Contribution (EFC) and, therefore, do not change a student's financial aid package.
