

NICOLET AREA TECHNICAL COLLEGE

2018 PLAN OF REPRESENTATION

Section 38.10 (2)(c), Wisconsin Statutes required WTCS District Appointment Committees to formulate a plan of representation for the membership of the district board. The language is as follows:

“The plan shall give equal consideration to the general population distribution within the district and the distribution of women and minorities within the district. . . . The plan shall form the basis upon which membership of the district board is determined.”

Responsibility for formulation of the plan rests with the Appointment Committee who must determine compliance with the statutes prior to its submission to the Wisconsin Technical College System Board. The Wisconsin Technical College System Board will review district board appointments to determine whether they comply with the provisions of the plan and the requirements of s. 38.08 (1)(a). The plan is to be formulated prior to the appointment of members to the district board is as follows:

38.08 (1)(a) 1. “A district board shall administer the district and shall be composed of 9 members who are residents of the district, including 2 employers, 2 employees, 3 additional members, a school district administrator, as defined under s. 115.001 (8), and one elected official who holds a state or local office, as defined in s. 5.02.”

38.08 (1) (a) 2. “The employer and employee members of the district board shall be representative of the various businesses and industries in the district. The school district administrator shall be employed by the school board of a school district located in the district. Of the 3 additional members, no more than 2 may be employers, no more than 2 may be employees, no more than 3 may be school district administrators and no more than 3 may be elected officials. No 2 members of the district board may be officials of the same governmental unit or may any district board member be a member of the school board that employs the school district administrator member.”

The WTCS Board shall only approve district board appointments where the district board, following Board approval, would have a minimum of three female and three male members and, if the total percentage of minorities within a WTCS district exceeds 6.5 percent of the general population, at least one minority member.

Present Population Distribution – The population of the Nicolet Area Technical College (NATC) District is based upon 2017 Wisconsin Department of Administration (WI DOA) estimates.

The current estimated population of the district is 49.7% female and 50.3% male. Of the total population, 7.5% are minorities.

1. The Plan of Representation will meet the statutory requirements with respect to Employers, Employees, School District Administrator, Elected Official, and Additional Members.
2. Geographical representation within each of the NATC district counties will be as follows:
 - One member from Forest County
 - One member from the portion of Lincoln County that is within the NATC district
 - Four members from Oneida County and the portion of Langlade County that is within the NATC district
 - Two members from the Vilas County and the portion of Iron County that is within the NATC district.
 - One member from any NATC district county
3. A minimum of three female and three male members will be maintained on the Board.
4. One minority member will be maintained on the Board.
