ANNUAL REPORT  
2017-18

**YOU  
CAN**

**MAKE NICOLET COLLEGE  
A PLACE FOR STUDENTS  
TO SUCCEED**

## Success is as diverse as each Nicolet student.

Success may mean earning a certificate or technical diploma to update and improve job skills. For some, it's completing an associate's degree to begin a career or re-enter the workforce. And for others, it's earning credits here before transferring to a four-year university.

Success takes hard work, long hours, and a refusal to give up. You have never given up on our students. Your donation is a statement of support. It says, "Job well done," and "Keep going." That matters to our students. For that, we thank you.

Your support is important to the College, the Foundation, and, most importantly, to the students. It is never taken for granted and is deeply appreciated.

Thank you for believing in Nicolet College students. You can make a difference and you do make a difference in so many lives.

Sincerely,  
Heather Schallock  
Nicolet College Foundation Executive Director

"This scholarship is absolutely the crowning achievement of my academic career and near the top of the list of things I've done in my life that I'm proud of. One day I hope that I can give back to the Nicolet College Foundation in the same way that it has helped me. You never know just how much of an impact it may have on someone and the motivation that it may give them. I am deeply humbled and graciously accept this scholarship."

HANNAH REESE  
Accounting Student

“With my son in elementary school, I now have the time to pursue an associate’s degree which will translate directly into a job.”

“I am enrolled in the Accounting program and am so happy to be on an educational track that will provide me with a very hireable skill I can utilize in my community.”

“Nicolet College is full of people who truly want to see students succeed.”

“I am struck with this realization every time I come in for tutoring help, when signing up for classes, or when I am on campus for class.”

ZACHARY CUMMINGS  
University Transfer –  
Liberal Arts Student

“My long-term goals are to go to graduate school to get a master’s degree in aquatic science, and then find a job studying fish and their ecosystems.”

“I am the second of four children that were born into an Army family. Being military meant that my family moved around quite a bit, and it was because of this that my parents decided to home school all four of us all the way through high school. I graduated high school in 2004.”

“After my Basic Training I went on to my Advanced Individual Training (AIT), where I learned how to be a diesel mechanic. I graduated AIT with the second highest GPA, which earned me an Honor Grad spot during graduation. I was deployed to Iraq, stationed in Korea, Texas, and Kansas. At the end of my enlistment contract in 2013, I decided that it was time for me to move on.”

“After working in a couple of factory jobs, I realized that I was much more interested in having a career in aquatic science. This is what led me to enrolling in classes at Nicolet College.”

MICHELLE CZLAPLINSKI  
Criminal Justice Student

“My passion and drive will help me succeed, but this scholarship will help me even more. Thank you so much.”

“When people don’t know where to turn, I want to be a resource. When people have a problem, I want to help solve it. When people need motivation, I want to be an example. When people need guidance, I want to be a roadmap. This scholarship money will help me reach my goal of becoming a police officer.”

“I lost my mother a little over a year ago. It has been an especially trying time for me as I lost a friend and mentor. In that time, I have gained an education. I have gained my Nicolet family as well as an extended first responder family.”

“My time at Nicolet has helped me realize how I can reach those goals and how I can work harder to reach new goals. This scholarship will help me take steps in the right direction. I hope I am able to give back as much as I have been given.”

## endowed funds

Personal, protected, and professionally managed.

## endowments

The Foundation honors our generous donors who have established endowments. They represent a permanent investment in the future of Nicolet College and a promise to students committed to pursuing their educational goals. Your gift of \$5,000 or more maintains everlasting significance; with the core gift remaining intact and investment revenues funding future scholarships and specific donor-established purposes.

# 333

## donors

Corporate, private, and individual donors support our goals.

## donors

The Foundation celebrates those who give graciously to our students and programs. Donors help transform lives by partnering with the Foundation to encourage, support, and promote the educational goals of our students. Your philanthropic investment allows them to enhance their lives through education, training, and experience to realize their dreams.

# 62

## promise eligible students

A Nicolet education free of financial burdens.

## nicolet promise

This partnership between Nicolet College and students bridges the difference between federal funded support and student financial needs. The Foundation's goal to remove financial barriers for qualified students ensures bright, hard-working, and dedicated students receive support allowing them to have hope in a solid, attainable future. In 2017-18, donor support made it possible for 19 students to receive a tuition-free college education.

# 392

## scholarships awarded

Scholarships represent devotion to students' goals and drive to succeed.

## scholarships

The powerful gift of a scholarship stays with students for their entire lives and impacts future generations. Scholarships are awarded to students who are committed to higher education and show promise for a successful future. Your investment in their future plays a critical role by making a quality education possible. Donors create a philanthropic legacy and strengthen the workforce by investing in students who go on to contribute to the community, economy, and society.

RHONDA JICINSKY  
CT's Deli

NICOLET COLLEGE ALUMNI

"I use everything I learned  
in class all the time."

Rhonda Jicinsky is putting her Nicolet College degree to work as an entrepreneur. If you stop at CT's Deli in Rhinelander, you're sure to find her and her life partner, Chef Tom, who opened this deli in 2015.

Rhonda always enjoyed cooking and event planning, so after a 20 year career in marketing, she decided to go back to school and pursue a new dream. She enrolled in the Culinary Arts program in 2003 and even served as the Nicolet College student ambassador. She said, "Both of my culinary instructors, Vicki Mendham and Linda Arndt, were top notch. They were very knowledgeable

and professional. There was a wide skill span in our class and they taught to all of us on our level."

Her favorite classes? The cooking labs, of course. "I remember one snowy day, looking out the big window in the kitchen at the snow as we were making Christmas cookies and feeling so blessed to be happy and enjoying my new chapter of life at Nicolet."

After she graduated in 2005, she worked in the resort industry, but a few years ago, she and Chef Tom decided it was time to open their own business, with the goal of achieving a better work-life

balance. Rhonda's eyes light up when she talks about CT's Deli. "I love being around a business that we created, watching it evolve into exactly what we wanted to achieve, watching the employees grow, and meeting customers who become friends," she said.

She is quick to share, "I use everything I learned in class all the time." Rhonda has a hand in what's being taught in class today. She serves on the college's Culinary Arts Advisory Committee, which advises the college on how well the program meets workforce needs. Rhonda calls it her chance to give back to Nicolet College.

PAUL MARQUARDT  
Master Technician/Owner,  
Northwoods Auto Techs

NICOLET COLLEGE FOUNDATION DONOR

“I couldn’t imagine Rhinelander  
without Nicolet College.”

Paul Marquardt has come a long way since he started working for Vern Kohlbeck at Northwoods Mobil in 1979. At the time, Paul was a Rhinelander High School student and, looking back, readily admits he didn’t even know how to change oil.

“Vern taught me about customer service and automobiles, as my mentor, for a decade. He took a risk on me by selling me his shop.” Vern must have known what he was doing because almost 30 years after that sale, Paul still owns, what is now, Northwoods Auto Techs

and employs six people. One of those employees is Lucas Price, a Nicolet College graduate.

Lucas completed his associate’s degree in Nicolet College’s Automotive Technology program in May of 2018, but he’d already been working for Paul for the past year. Paul shared, “It proves that the programs Nicolet has work. Lucas came in here with the necessary skills as a technician and I can help him develop those skills. We created a positive work culture and my goal when he graduated was that he’d want to stay with us, and he has.”

Paul cares about this community. One of the ways he gives back is with contributions to the Nicolet College Foundation. “I wanted to pay it forward. Somebody took a chance on me years ago. Vern did that for me. Once we were in a position to help someone else achieve their goals, it seemed like a good fit.”

Paul contributes to a scholarship in Vern’s name every year. “If we’re making an impact on one person’s life, it’s well worth it. It’s a good feeling and it’s the right thing to do. I don’t think I’ve ever considered not giving.”

**“My long-term goal is to become a family doctor. After I graduate from Nicolet College, I want to continue my schooling to receive my bachelor’s degree in nursing.”**

**–Anita Snyder  
Nicolet College Graduate**

# thank you

“Thank you very much for your generous gift. I am so thankful for receiving this scholarship. After I graduate from Nicolet, I plan to stay in the Rhinelander community and begin my career as a nurse.”

-Alexis Miramontes
