**2020-2021 SELECTIVE SERVICE REGISTRATION VERIFICATION**

We have completed the initial review of your 2020-2021 Free Application for Federal Student Aid (FAFSA). Information that we received from the U.S. Department of Education indicates that you **are not** registered with the Selective Service Administration or that your registration status could not be confirmed. If required, you must be registered with the Selective Service to receive federal financial aid.

You are required to register with the Selective Service Administration if you:

- are a male,
- are at least 18 years old,
- were born after December 31, 1961,
- are a U.S. citizen or an eligible noncitizen, and
- are not currently on active duty in the armed forces.

If you meet these requirements, you must submit verification of your registration with selective service to our office before financial aid can be processed. Please attach a copy of your "Registration Acknowledgement Letter" from the Selective Service Administration. This document indicates your assigned registration number. If you do not have a copy of your letter, you can contact Selective Service at [www.sss.gov](http://www.sss.gov) or (847) 688-6888.

A copy of my "Registration Acknowledgement Letter" is attached.

I am a female and am not required to register with Selective Service.

Explanation why I failed to register by my 26<sup>th</sup> birthday:
