Statement of Understanding

To be reviewed by participating student

- I understand that I must follow Nicolet College policies and procedures, as outlined in the College catalog under Student Rights and Responsibilities and by the course instructor, including course withdrawal and attendance policies.
- I realize that Nicolet College classes are college-level. I will respect my instructors and fellow classmates by attending class, and being an active, informed, and involved college student.
- I agree that it is my responsibility to ensure completion of any courses necessary for fulfillment of my high school graduation requirements.
- I understand that it is my responsibility to request any necessary educational accommodations through Nicolet College's Support Services Department.
- I am willing to spend 2-4 hours on homework per hour that the class is in session. (For example: Your class meets 3 hours/week-plan on around 6-8 hours of homework/week).
- I realize that homework is due on the day the instructor says it is due. Late homework will result in a lower grade or even a "0".
- I understand that I must attend every class period to which I am assigned. If I must miss a class I must have a legitimate and excusable reason, I will contact my Nicolet College instructor prior to my absence and be prepared to make up any missed work.
- I realize that courses have very strict attendance policies and I may be asked to drop a course if I miss too many class periods or receive a failing grade if I do not drop the course.
- I realize that all courses (for example: Nursing Assistant) require me to meet competencies before moving on to the next. If I can not meet competencies I will be asked to drop the course or receive a failing grade for the course if I do not drop the course.
- I realize that if I do not pass and/or drop the College course(s), my high school may hold me responsible for tuition and book fees.
- I understand that it is my responsibility to drop myself from the course either online or by filling out an add/drop form, which can be found at the Welcome Center in the Red Oak Center.
- I understand that the high school will only be refunded 100% of the tuition for my course if I drop on or before the 1st day of class. Anything after that will result in a reduced tuition refund to my high school and my high school may hold me responsible for this tuition amount.
- I will keep in frequent contact with my high school guidance counselor. I will check with my high school guidance counselor before dropping a course.
- I realize that I am responsible for attending class at Nicolet College even if my high school is not in session that day.
- I will seek help from my instructor immediately when needed in order to be successful in the course.
- I am aware that Dual Enrollment is a privilege. My high school believes in me enough to financially support this opportunity for me. I have read through, understand, and will follow the requirements listed above.
- I understand that my personal and academic information (including, but not limited to: test scores, grades, transcripts, attendance alerts, etc.) may be shared between high school and Nicolet College staff where there is an educational need to know to aid in enrollment and my educational success.
