To: Nicolet Area Technical College Students and Employees

This information is being brought to you as part of Nicolet College's commitment to safety and security.

Nicolet College is a two-year district and state-supported institution of higher education. The College provides educational opportunities to residents of our district from our campus located in Rhinelander, Wisconsin.

The Clery Act has been amended by the Violence Against Women Act (VAWA), and the College is required to publish an annual security report. This report contains valuable information for all students and staff. Please take a few moments of your time to review the contents of this report and use it as a resource for your various safety and security needs.

Under the Drug-Free Schools and Communities Act of 1989, we are required to publish and distribute information that the College has adopted and implemented a drug-prevention program for all students and employees, which includes:

1. Standards of conduct that clearly prohibit, at a minimum, unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees on its property or as part of any of its activities.
2. A description of the applicable legal sanctions under local, state or federal law for the unlawful possession or distribution of illicit drugs and alcohol.
3. A description of health risks associated with the use of alcohol and other drugs.
4. A description of any drug or alcohol counseling, treatment or rehabilitation programs that is available to students or employees.
5. A clear statement that the institution will impose disciplinary sanctions on students and employees (consistent with local, state, and federal law) and a description of those sanctions, up to and including expulsion or termination of employment and referral for prosecution, for violations of the standards of conduct.

Nicolet College is engaged in a continuing educational effort to raise awareness of students, staff, and the community to the problems associated with alcohol and other drug abuse/dependency. We all have a shared responsibility to comply with the Drug-Free Schools and Communities Act. Your cooperation will be greatly appreciated.

Have a safe and successful year at Nicolet

College. Sincerely,

Matthew R. S. Schur,
Director of Risk, Compliance, and Security

STUDENT CODE OF CONDUCT

JURISDICTION OVER STUDENT CONDUCT

Students at Nicolet College are annually provided access to and, upon request, given a copy of the Student Code of Conduct. Students are responsible for reading and agreeing to abide by the provisions of the Student Code of Conduct and the authority of the student conduct process. The Student Code of Conduct and the student conduct process apply to the conduct of individual students and College-affiliated student organizations. Said conduct will be measured against the preponderance of the evidence standard to determine if a violation of the Student Code of Conduct has occurred.

Because the Student Code of Conduct is based on shared values, it establishes a set of expectations for the Nicolet College student, no matter where or when their conduct may take place (e.g. Study Abroad). Therefore, the Student Code of Conduct will apply to behaviors that take place on campus, at College-sponsored events, and may also apply off-campus, when the College determines that the off-campus conduct affects a substantial College interest. A substantial College interest is defined to include:

- A. Incidents that constitute a criminal offense as defined by Wisconsin State law. This includes first time and repeat violations of any local, state, or federal law.
- B. Incidents where it appears the student may present a danger or threat to the health or safety of his/her self or others.
- C. Incidents that significantly infringe upon the rights, property of self or others or significantly breach the peace and/or causes social disruption.
- D. Any situation that is harmful to the educational interests of the College.

The Student Code of Conduct may be applied to conduct that takes place during the time a person is enrolled as a student, including all College breaks and between semesters. Further, the Student Code of Conduct applies to guests of community members; hosts may be held accountable for the misconduct of their guests. Visitors to and guests of Nicolet College are also protected by the Student Code of Conduct and may initiate grievances for violations of the Student Code of Conduct committed by members of the Nicolet College community against them.

Nicolet College may also extend its jurisdiction to misconduct that occurs prior to, but is not reported until after, the graduation of the offending student. Any such misconduct will not subject the violator to normal conduct proceedings but will subject him or her to special proceedings for the revocation of a degree.

EXPLANATION OF POLICIES AND DEFINITIONS

This code and College policies are provided to give students general notice of conduct expectations. This code and College policies should be read broadly and are not intended to define misconduct in comprehensive terms.

INHERENT AUTHORITY

Communications from the College to the students, and students are expected to respond without delay to requests, directions, and directives from College officials acting in the performance of their duties. Sanctions for failure to comply may be implemented where necessary to secure cooperation.

COMPLAINTS / REPORTING / CONFIDENTIALITY

Any person may file a conduct complaint/report with Nicolet College, orally or in writing about a student, student group, and/or organization suspected of violating this code or College policy. Person making such complaints will normally be expected to appear for a hearing as the Complainant. The College may stand in lieu of the reporting party as the Complainant at the election of the reporting party, who may still need to share information as a witness.

A. Filing of Complaints

Any member of the College community, including guests and visitors, may file a complaint against a student alleging a violation of the Student Code of Conduct. At the request of any guest, visitor, student, faculty, or staff member, or acting independently, the College may file a complaint against any student according to the standards established by the Student Code of Conduct alleging a violation of the Code.

B. Reports can be made in two different ways (confidential or non-confidential)

1. Confidential:

This report is used solely for tracking statistics and information about the incident. No formal action will be taken against the suspect, and the complainants name will remain anonymous. Cases in which multiple reports are filed regarding a certain individual, the College may move forward as the "Complainant" with or without a cooperating witness.

2. Non-Confidential:

This is a full report that will be used by the College to investigate the complaint that has been filed and, if appropriate, pursue charges.

C. Consolidation

Where more than one student is accused of violations arising out of a single occurrence or out of connected multiple occurrences, a single hearing may be held for all the students accused. Students may request that their complaint be consolidated with others or separated from others. The College will make determinations regarding consolidation; however, the separation of one or more complaints from a group of complaints will not be considered to affect the remaining complaints in the group.

D. Confidentiality

Cases involving discrimination and especially sexual harassment are particularly sensitive and demand special attention to issues of confidentiality. Dissemination of information relating to the case should be limited to individuals who have a legitimate need to know or who have information relevant to the investigation in order that the privacy of all individuals involved is safeguarded to the extent practicable under the circumstances.

Every effort should be made to protect members of the College community so that they may report incidents, especially incidents involving acts of discrimination and sexual harassment, without fear of reprisal or retaliatory action. Confidentiality will be respected insofar as it does not interfere with the College's obligation to investigate allegations of misconduct and to take corrective action where appropriate. The College will honor the right to report instances where a student has been harmed or is incapacitated. College employees and students are obligated to comply with requests to provide statements during an investigation.

APPLICABILITY OF CODE/FOCUS OF INVESTIGATION

- A. This code does not apply to any admission decision or any decisions made by the College for academic reasons. The College prohibits all forms of academic dishonesty, but such violations are under the jurisdiction of the Executive Vice President.
- B. The focus of the investigation in student conduct proceedings is to determine whether students accused of violating this code or College policy are "responsible" or "not responsible" as alleged and to assign any applicable sanctions. Deviations from prescribed procedures (including time deadlines) will not invalidate a decision or proceeding unless significant prejudice to a student or the College would result.
- C. Should a student withdraw from the College with a pending conduct complaint, it is the typical practice of the College to pursue investigation and resolution of the campus complaint, regardless of the fact that the student has withdrawn. If the student is found responsible for violation of the Student Code of Conduct, a hold will be placed on the student, restricting the ability of the student to re-enroll until all sanctions have been satisfied.

VIOLATIONS OF LAW

Allegations of violations of federal, state, and local laws are incorporated as offenses under the Student Code of Conduct. Any offence for which the College has jurisdiction, the College conduct process will usually go forward notwithstanding any criminal charges that may arise from the same incident. College proceedings will not be subject to challenge because criminal charges involving the same incident have been dismissed or reduced.

Student Code of Conduct

When a student is accused, arrested, charged, or indicted for a crime committed off-campus, the College may elect to take action for violations of the Student Code of Conduct, which incorporates violation of local, state, or federal laws as code infractions.

When criminal charges are pending for any felony and/or misdemeanor, the College may be delayed or prevented from conducting its own investigation and from moving forward with a conduct hearing. In such cases, the College may choose to delay its hearing until it can conduct an internal investigation or obtain from law enforcement sufficient information upon which to proceed. In cases that fall within the protections of Title IX as sex or gender discrimination, delays can be granted but for no longer than 10-14 days to allow for law enforcement evidence gathering. The College process cannot be delayed beyond the above timeframe unless all parties agree because the evidence gathering phase by law enforcement extends beyond the timeframe identified above.

Nicolet College may pursue enforcement of its own rules whether or not legal proceedings are underway or in prospect and may use information from law enforcement agencies, news agencies, and the court to assist in determining whether College rules have been violated.

CONDUCT EXPECTATIONS

The Nicolet College community is committed to fostering a campus environment that is conducive to academic success, a meaningful campus life, and thoughtful study and dialogue. A community exists based on shared philosophies and respectful interaction. Student members of the community are expected to uphold and abide by certain policies, rules, and standards of conduct that form the basis of the Student Code of Conduct. When students of the community fail to demonstrate these standards, campus conduct proceedings are used to assert and uphold the Student Code of Conduct.

Abuse of College Technology

Misuse of College computing facilities, equipment, network, passwords, accounts, or information. Students who connect their personal computers (or other technologies) to the campus network will be held responsible for any violation of this policy that originates from that device. Examples of misuse include:

- A. Access, use, inspection, or modification of data or functions that are neither allotted nor authorized as a part of the user's account nor specified as public domain information;
- B. Access, use, inspection, or modification of data that refer to computer utilization, computer access authorization, or security;

- G. Access and/or use of another user's account and the data contained in that account;

- I. Unauthorized copying, installation, and/or distributing electronic media by any means;
- J. Physical or electronic interference with other computer systems users;
- K. Dissemination or distribution of a user account password to any other person;
- L. Use of computing facilities to interfere with the work of another student, faculty member, College official, or the normal operations of the College computing system;
- M. Any other practice or user activity that constitutes irresponsible behavior, promotes illegal activities, results in the misuse of computer resources, or jeopardized the operation of computer or network systems.

Academic Misconduct

Academic misconduct includes, but is not limited to, an act in which a student seeks to claim credit for the work or efforts of another without authorization or citation. Uses unauthorized materials or fabricated data in any academic exercise. Forges or falsifies academic documents or records. Intentionally impedes or damages the academic work of others. Cheats on examinations, including the unauthorized use of materials or aids, or use of unauthorized additional time. Violates course rules as contained in the course syllabus or other information provided to the student. Abuse and/or misuse of prescription or over-the-counter medication; allowing someone else to abuse and/or misuse your prescriptions, including "distribution" by allowing someone else access to your prescription, whether or not they have a prescription for the medication themselves.

Fire Safety

Violation of state, local, or campus fire policies; failure to evacuate a College-owned or managed building during a fire alarm; tampering, improper use, misuse, or abuse of College fire safety equipment; unwarranted dispatch of "first responder" and/or fire emergency services; tampering with or improperly engaging a fire alarm in a College building; intentionally, recklessly and/or negligently causing a fire which damages College or personal property or which causes injury to any member of the community; intentionally causing or ignoring any condition which creates a substantial fire and/or safety risk upon college properties.

POSSIBLE SANCTIONS

One or more of the following sanctions may be imposed for violations of this code or College policy:

A. DEGREE REVOCATION

Students who are expelled post-graduation are subject to having their degree revoked. They lose the right to claim graduation from Nicolet College or to hold themselves out as graduates. Notations will be indicated on their transcript accordingly. Students who are suspended post-graduation are subject to having their diploma and/or degree withheld until the suspension is complete. These proceedings will only be convened if the offense alleged would have subjected the violator to suspension or expulsion if reported prior to graduation.

B. EXPULSION

Permanent separation of the student from the College. A notation will appear on the student's transcript. Expelled students may also be barred from the College premises and College sponsored events.

C. SUSPENSION

Separation of the student from the College for a specific time. A notation of suspension will appear on the student's transcript. Formal reapplication to the College also may be required

following completion of the suspension period. The meeting of certain requirements may also accompany the suspension, and any readmission can be conditioned on the satisfactory completion and proof of completion of those requirements.

D. CONDUCT PROBATION

Conduct probation is a final and formal warning status issued by the College to the student. Further violations of the Code resulting in a finding of “responsible” will result in suspension or expulsion unless mitigating circumstances or information is identified. Additional restrictions or conditions also may be imposed.

E. CONDUCT REPRIMAND

The student is warned that further misconduct may result in more severe sanctions. The reprimand will indicate that continuation or repetition of specific conduct may be grounds for other sanctions.

F. FINANCIAL RESTITUTION

The student is required to make payment to the College and/or to other persons, groups, or organizations for damage incurred as a result of a violation of this Code or College policies. Damages will include not only direct costs of items involved but also indirect costs of College personnel involved.

G. OTHER SANCTIONS

Other sanctions may be imposed instead of or in addition to those specified in this Code. Additional or other sanctions include, but are not limited to:

1. Loss of privileges, consistent with the offense committed such as:
 - a. On-campus dining privileges;
 - b. Restrictions from representing the College or participating in any extracurricular activity;
 - c. On-campus site restriction (e.g. class only).
2. The assignment of projects;
3. Orders of limited or no contact;
4. Imposition of fines, which will not exceed \$500 for each violation;
5. Confiscation: confiscation for a specified time, of property or materials used in a violation, or are in violation of College policy;
6. Recommended sanctions for alcohol, drugs, and/or substance violations may include but

are not limited to:

- a. Warning, Reprimand, etc.
 - b. Substance Counseling, Referral, etc.
 - c. Parent/Guardian Notification
 - d. \$100 Fine
 - e. Educational Program or Project
 - f. Probation (as listed above)
 - g. Suspension (as listed above)
 - h. Expulsion (as listed above)
7. Statements of understanding: are signed (or mediated) statements that students will abide by all College rules, and policies or specific practices, with the understanding that violation of any rule, regulation, or agreement will result in further sanctions;
 8. Referral to Transitions Counseling, or other outside agency for assessment.

Certain violations of this Code or College policies may result in suspension or expulsion unless specific and significant mitigating factors are present. This can include first time and/or repeated violations. The presence or involvement of alcohol or drugs will not constitute a mitigating factor. The following list of examples is not meant to be comprehensive.

1. Incidents of violence, sexual misconduct, and sexual harassment.
2. Incidents involving drug possession, under the influence and/or use, distribution or sale; including misuse of legal prescription drugs.
3. Incidents of reckless endangerment, misuse of emergency equipment, or any type of smoking or fire resulting from abuse or negligence.
4. Incidents of harm brought to oneself or others (including instances when a student knew or should have known such harm might exist or result). This includes instances of hazing, drug involvement, alcohol abuse, driving under the influence, and reckless driving even when the student thought it was a prank.
5. Incidents involving theft, stealing, or false statements or reports.
6. Repeat offenses.
7. Failing to comply with officials in the performance of their official duties.

8. Acts that constitute a violation of local, state, or federal laws.

I. INTERIM SUSPENSION

The College may suspend a student for an interim period pending conduct proceedings or medical, psychiatric, or psychological evaluation. Such interim suspension becomes effective immediately whenever there is information that the continued presence of a student on College premises or at College sponsored activities poses a substantial threat to self or others, or to the stability and continuity of normal College operations. There may also be circumstances in which it is necessary to invoke an interim suspension in furtherance of an ongoing investigation into a conduct code violation and/or a violation of state law.

A student suspended on an interim basis will be given the opportunity to appear before the administrator within three business days from the effective date of the interim suspension. An informal conference will be held on the following issues only:

1. The reliability of the information concerning the student's conduct, including the matter of their identity.
2. The question as to whether the conduct and surrounding circumstances reasonably indicate that the continued presence of the student on College premises or at College sponsored activities poses a substantial threat to himself, herself, others, or to the stability and continuance of College functions. In any complaints covered by Title IX (sexual misconduct, sexual harassment, stalking, etc.), the complainant will be given the opportunity to address the appropriateness of interim suspension as well.
3. Respondent(s) who fail to appear at this informal conference are in violation of the Student Code of Conduct for failure to comply with the instructions of a College official and will be subject to disciplinary sanctions.

GENDER AND SEX-BASED MISCONDUCT

INTRODUCTION

Members of the College community, guests and visitors have the right to be free from all forms of gender and sex-based discrimination, examples of which can include acts of sexual violence, sexual harassment, domestic violence, dating violence, and stalking. All members of the College community are expected to conduct themselves in a manner that does not infringe upon the rights of others. Nicolet College believes in a zero tolerance policy for gender-based misconduct. When an allegation of misconduct is brought to an appropriate administration's attention, and a respondent is found to have violated this policy, serious sanctions will be used to reasonably ensure that such actions are never repeated. This policy has been developed to reaffirm these principles and to provide recourse for those individuals whose rights have been violated. This policy is intended to define community expectations and to establish a mechanism for determining when those expectations have been violated.

OVERVIEW OF EXPECTATIONS WITH RESPECT TO PHYSICAL SEXUAL MISCONDUCT

The expectations of our community regarding sexual misconduct can be summarized as follows: In order for individuals to engage in sexual activity of any type with each other, there must be clear, knowing and voluntary consent prior to and during sexual activity. Consent is sexual permission. Consent can be given by word or action, but non-verbal consent is not as clear as talking about what you want sexually and what you don't. Consent to some form of sexual activity cannot be automatically taken as consent to any other form of sexual activity. Silence--without actions demonstrating permission--cannot be assumed to show consent.

Additionally, there is a difference between seduction and coercion. Coercing someone into sexual activity violates this policy in the same way as physically forcing someone into sex. Coercion happens when someone is pressured unreasonably for sex.

Because alcohol or other drug use can place the capacity to consent in question, sober sex is less likely to raise such questions. When alcohol or other drugs are being used, a person will be considered unable to give valid consent if they cannot fully understand the details of a sexual interaction (who, what, when, where, why, or how) because they lack the capacity to reasonably understand the situation. Individuals who consent to sex must be able to understand what they are doing. Under this policy, "No" always means "No," and "Yes" may not always mean "Yes." Anything but a clear, knowing and voluntary consent to any sexual activity is equivalent to a "No."

SEXUAL MISCONDUCT OFFENSES INCLUDE, BUT ARE NOT LIMITED TO:

- A. Sexual Harassment
- B. Non-Consensual Sexual Contact (or attempts to commit same)
- C. Non-Consensual Sexual Intercourse (or attempts to commit same)
- D. Sexual Exploitation

A. SEXUAL HARASSMENT

Sexual Harassment is:

1. unwelcome, gender-based verbal or physical conduct that is;
2. sufficiently severe, persistent or pervasive that it;
3. unreasonably interferes with, denies or limits someone's ability to participate in or benefit from the College's educational program and/or activities; and is
4. based on power differentials (quid pro quo), the creation of a hostile environment, or retaliation.

B. NON-CONSENSUAL SEXUAL CONTACT

Non-Consensual Sexual Contact is:

1. any intentional sexual touching;
2. however slight;
3. with any object;
4. by a man or a woman upon a man or a woman;
5. that is without consent and/or by force.

a. Sexual Contact includes:

Intentional contact with the breasts, buttock, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth or other orifice.

C. NON-CONSENSUAL SEXUAL INTERCOURSE

Non-Consensual Sexual Intercourse is:

1. any sexual intercourse;
2. however slight;
3. with any object;
4. by a man or woman upon a man or a woman;
5. that is without consent and/or by force.

a. Intercourse includes:

vaginal penetration by a penis, object, tongue or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

D. SEXUAL EXPLOITATION

Occurs when a student takes non-consensual or abusive sexual advantage of another

for their advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual misconduct offenses.

Examples of sexual exploitation include, but are not limited to:

1. Invasion of sexual privacy;
2. Prostituting another student;
3. Non-consensual video or audio-taping of sexual activity;
4. Going beyond the boundaries of consent (such as letting your friends hide in the closet to watch you having consensual sex);
5. Engaging in voyeurism;
6. Knowingly transmitting an STI or HIV to another student;
7. Exposing one's genitals in non-consensual circumstances; inducing another to expose their genitals;
8. Sexually-based stalking and/or bullying may also be forms of sexual exploitation.

ADDITIONAL APPLICABLE DEFINITIONS:

A. Consent

Consent is clear, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) sexual activity.

1. Consent to any one form of sexual activity cannot automatically imply consent to any other forms of sexual activity.
2. Previous relationships or prior consent cannot imply consent to future sexual acts.

B. Force

Force is the use of physical violence and/or imposing on someone physically to gain sexual access. Force also includes threats, intimidation (implied threats) and coercion that overcome resistance or produce consent ("Have sex with me or I'll hit you. Okay, don't hit me, I'll do what you want.").

1. Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When someone makes clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

NOTE: There is no requirement that a party resists the sexual advance or request, but resistance is a clear demonstration of non-consent. The presence of force is not demonstrated by the absence of resistance. Sexual activity that is forced is by definition non-consensual, but non-consensual sexual activity is not by definition forced.

2. In order to give effective consent, one must be of legal age.
3. Sexual activity with someone who one should know to be -- or based on the circumstances should reasonably have known to be -- mentally or physically incapacitated (by alcohol or other drug use, unconsciousness or blackout), constitutes a violation of this policy.
 - a. Incapacitation is a state where someone cannot make rational, reasonable decisions because they lack the capacity to give knowing consent (e.g., to understand the “who, what, when, where, why or how” of their sexual interaction).
 - (1) This policy also covers a person whose incapacity results from mental disability, sleep, involuntary physical restraint, or from the taking of rape drugs. Possession, use and/or distribution of any of these substances, including Rohypnol, Ketomine, GHB, Burundanga, etc. is prohibited, and administering one of these drugs to another student is a violation of this policy.
 - b. Use of alcohol or other drugs will never function as a defense for any behavior that violates this policy.
 - c. The sexual orientation and/or gender identity of individuals engaging in sexual activity is not relevant to allegations under this policy.

SANCTION STATEMENT

- A. Any student found responsible for violating the policy on Non-Consensual or Forced Sexual Contact (where no intercourse has occurred) will likely receive a sanction ranging from probation to expulsion, depending on the severity of the incident, and taking into account any previous campus conduct code violations.*
- B. Any student found responsible for violating the policy on Non-Consensual or Forced Sexual Intercourse will likely face a recommended sanction of suspension or expulsion.*
- C. Any student found responsible for violating the policy on sexual exploitation or sexual harassment will likely receive a recommended sanction ranging from warning to expulsion, depending on the severity of the incident, and taking into account any previous campus conduct code violations.*

***The Conduct Body reserves the right to broaden or lessen any range of recommended sanctions in the case of serious mitigating circumstances or egregiously offensive behavior. Neither the initial hearing officers nor any appeals body or officer will deviate from the range of recommended sanctions unless compelling justification exists to do so.**

OTHER MISCONDUCT OFFENSES (WILL FALL UNDER TITLE IX WHEN SEX OR GENDER-BASED)

- A. Threatening or causing physical harm, extreme verbal abuse, or other conduct which threatens or endangers the health or safety of any person;
- B. Discrimination, defined as actions that deprive other members of the community of educational or employment access, benefits or opportunities on the basis of gender;
- C. Intimidation, defined as implied threats or acts that cause an unreasonable fear of harm in another;
- D. Hazing, defined as acts likely to cause physical or psychological harm or social ostracism to any person within the College community, when related to the admission, initiation, pledging, joining, or any other group-affiliation activity;

In accordance with VAWA Pub. Law 113-4 and the Higher Education Act of 1965 as amended 20 USC 1092 (The Jeanne Clery Act) Nicolet College has adopted the following Victim's Bill of Rights.

All Nicolet College community members have the right to:

- A. Make a report to local law enforcement and/or state police; have disclosures of domestic violence, dating violence, stalking, and sexual assault treated seriously.

- B. Make a decision about whether or not to disclose a crime or violation and participate in the judicial or conduct process and/or criminal justice process free from pressure by the institution.

- F. Describe the incident to as few institution representatives as practicable and not be required description of the incident.
- G. Be protected from retaliation by the institution, any student, the accused and/or the respondent, and/or their friends, family and acquaintances within the jurisdiction of the institution.

CONDUCT HEARING PROCESS

- A. Complaints of a violation of College policy and the Student Code of Conduct may be referred to an Administrative Hearing.
- B. Conduct Officers will hear each case and measure an individual's level of responsibility via the preponderance of the evidence. This preponderance is based on the more convincing evidence and its probable truth or accuracy, and not the amount of evidence.
- C. A Respondent may bring written statements and information, as well as material witnesses. Failure to appear at the assigned time without reasonable notice will result in the matter being heard without the benefit of the Respondent's testimony.
- D. Students subject to an Administrative Hearing are afforded the following procedural

protection:

Notice of hearing is emailed to the student with a scheduled hearing at least three business days after the notification is sent. The notice of hearing will include the reason for the meeting, including the date and location of the incident, if applicable, as well as potential charges the student may be facing. The list of potential charges may be expanded during the meeting, if deemed appropriate by the hearing officer.

At the initial hearing the student will be provided a copy of the incident report and have the opportunity to review the report prior to answering questions related to the matter.

After the hearing concludes, the hearing officer will determine if the student is being held responsible for any policy violations within 5 business days and send an outcome letter to the student via the student's Nicolet College email address. In cases involving sexual misconduct, the outcome letter will be sent to both the complainant and the respondent.

If the student is found responsible for a policy violation, the outcome letter will state any associated sanctions and applicable due dates. These dates must be abided by to avoid further policy violations, such as failure to comply with or complete sanctions.

Students have the right to appeal decisions made by the hearing officer, as outlined in the Appeal Process section below.

APPEAL PROCEDURES

A student wishing to appeal a decision made by a hearing officer, has five days from the date of the outcome letter to do so. To file an appeal, a student needs to complete the Student Conduct Appeal form found through MyNicolet.

Students have the right to appeal the decision of the hearing officer (being found responsible for a policy violation), the sanction associated with the decision, and/or a due process violation. In cases of sexual misconduct, the complainant will be notified of the filing of an appeal.

After filing the appeal form, the student will receive a response within three business days as to whether or not the appeal will be heard or if the decision of the hearing officer will stand. If a hearing is granted, the student will receive an Appeal Hearing Notification via their Nicolet College email. The Appeal Hearing will occur at least three business days after the notification is sent. In cases of sexual misconduct, the complainant will be notified of the date of the Appeal Hearing.

After the hearing concludes, the appeal officer will determine if the decision and/or sanction from the initial conduct hearing stands within 5 business days and send an outcome letter to the student via the student's Nicolet College email address. In cases involving sexual misconduct, the outcome letter will be sent to both the complainant and the respondent.

A student who is still dissatisfied with the outcome or believes that there is a due process violation will be directed to follow the student grievance process.

APPEALS CONCERNING MATTERS OF SEXUAL MISCONDUCT

Either party may submit a written request for an appeal to the Director of Student Success. In the request, the party must identify the specific grounds upon which the appeal is based and must provide all of the detail the appealing party wants considered in support of the appeal. The Director of Student Success will convene an appeal within five (5) business days of receiving the appeal request.

Where an appeal is requested by the Respondent, the Complainant will be provided with a copy of the Respondent's appeal and invited to respond. Where an appeal is requested by the Complainant, the Respondent will be provided with a copy of the Complainant's appeal and invited to respond. However, in either case, the Appeals Officer will review the appeal statement to determine whether the information contained therein is relevant and material to the determination of the appeal and, in general, the Appeals Officer may redact information that is irrelevant, more prejudicial to a party or witness than probative, an unwarranted invasion of an individual's privacy, or immaterial. The Appeals Officer may also redact statements of personal opinions rather than direct observations or reasonable inferences from the facts, and statements as to general reputation for any character trait, including honesty.

Within seven (7) days of an appeal being filed, the Appeals Officer will schedule a meeting for consideration and disposition of the appeal. The Appeals Officer will be given access to the investigation materials that were made available to the initial Conduct Officer. In considering the appeal, the Appeals Officer may request additional information. Normally, the parties will not appear before the Appeals Officer, though they may be summoned at the discretion of the Appeals Officer.

The Appeals Officer may:

- A. Uphold the original decision;
- B. Remand the matter back to the original hearing body. The Appeals Officer may (but is not required to) take this action when there is a procedural irregularity that could be corrected in a review of the presentation of previously unavailable relevant information that could significantly impact the result of the original hearing body's determination;
- C. Remand the matter to the original Conduct Officer with a recommendation that the penalty be modified, together with an explanation of why the original penalty is deemed inappropriate; or
- D. Remand the matter to an ad hoc review panel composed of authorized individuals not previously involved in the matter. This will be done only in extraordinary cases when, in

the consideration opinion of the Appeals Officer, the matter would be best addressed by a newly-constituted body.

Any determination made following a remand of a matter is subject to the Appeals Officer utilizing this same process. In that case, the Appeals Officer may then issue a final determination on the matter.

If there is a conflict of interest, a new Conduct Officer will be appointed as the Appeals Officer. The assigned Appeals Officer concerned of a conflict of interest will provide the Director of Student Success with written notice of their decision, including grounds for the decision, within no fewer than 48 hours of the schedule appeal.

A record of the appeal will consist of the letter of appeal; any written statements from the parties, and the written decision that acceptable grounds for any appeal were not asserted (if that is the case), and the outcome of the appeal. This record will be appended to the written record of the original decision and will be kept with it as part of the case file maintained by the Director of Risk, Compliance, and Security.

Decisions of the Appeals Officers are final.

ACCESS TO INFORMATION AND RECORDS

- A. All information pertaining to investigations and hearing proceedings may be shared only with College employees who have a legitimate educational interest in the information.
- B. Students who wish to review and examine their files in the Student Conduct Office may do so in accordance with the Family Educational Rights and Privacy Act of 1974, as amended. Students must submit a request at least 24 hours in advance.

 - 2. Notification may be made to the parents/guardians of students who have violated policies that are "crimes of violence."
 - 3. Notification may be made to parents/guardians of students who are under age 21 when those students have committed violations of the College's alcohol and drug policies.
 - 4. Notification may be made to parents/guardians whenever their student faces an emergency health and/or safety risk.

Wisconsin Technical College System (WTCS) Complaint Process

If a student believes there has been misinterpretation or misapplication of Nicolet policy or procedure, and that such misinterpretation or misapplication falls into one of the three categories listed below, they may file a complaint with the Wisconsin Technical College System office.

Students who attend a college that is part of the WTCS can file complaints at the state level in three categories defined by the United States Department of Education:

- A. Complaints that allege violations of Wisconsin consumer protection laws, including but not limited to false advertising;
- B. Complaints that allege violations of Wisconsin laws related to the licensure of postsecondary institutions; or
- C. Complaints relating to the quality of education or other State or accreditation requirements.

A student who reasonably believes that a violation has occurred in one or more of these categories may file a written complaint. Complaints must be signed by the student and submitted on the official Student Complaint Form, available at:

<https://www.wtcsystem.edu/student-complaints/>.

Complaints must be filed within one year from the date of the alleged violation or the last recorded date of attendance, whichever is later. The WTCS will review complaints only after students attempt to resolve the matter through applicable College appeals or complaint processes.

By signing and submitting a complaint form, the student consents to disclosure by Nicolet College or the WTCS of any protected or confidential information that may be needed to review, investigate, and/or resolve the complaint; this includes referring complaints to another organization with jurisdiction and authority over the issue. The student also agrees to provide requested information and/or respond to questions about the complaint; failure to provide requested information or respond to questions about the complaint may result in the WTCS dismissing the complaint.

Notice: Under the Wisconsin Public Records Law, Ch. 19, Wis. Stats., any record or document that is part of the complaint review may be subject to disclosure upon request by a member of the public upon conclusion of WTCS action on the complaint, unless specifically exempt under law.

STATE AUTHORIZATION RECIPROCITY AGREEMENT (SARA) GRIEVANCES

The State Authorization Reciprocity Agreement (SARA) allows institutions to provide online distance learning to students who reside in other states without having to obtain the state's authorization. Institutions must abide by the SARA Terms and Conditions and obtain approval each year to remain a part of SARA. Part of SARA's requirements include the creation of a complaint process in accordance with Wis. Stats. Ch. 39.85, et al. This state law provides that any current or former student who is enrolled in an online distance education program with an institution that has been approved to offer distance education programs pursuant to the State

Authorization Reciprocity Agreement (SARA) may file a complaint against the institution. This complaint process shall only apply to the distance education activity of the institution which is conducted across state lines. No other complaints shall be considered by the Distance Learning Authorization Board (DLAB). However, other resolution options may be available to the complainant as noted below.

For purposes of this process, a complaint shall be defined as a formal assertion in writing that the terms of this agreement, or of laws, standards or regulations incorporated by the State Authorization Reciprocity Agreements Policies and Standards (SARA Policies and Standards) are being violated by a person, institution, state, agency or other organization or entity operating under the terms of SARA. If you believe you have a complaint or dispute that fits under the terms of SARA, please complete the online form and submit it within the time frames provided. There are also FAQs to assist you in answering any questions you may have about the [DLAB Complaint Process](#).

The DLAB has jurisdiction to consider only complaints or disputes that include the following criteria and factors:

- A. The institution participates in the State Authorization Reciprocity Agreement through the approval of the State of Wisconsin Distance Learning Authorization Board (DLAB) to offer distance education programs out of state; and
- B. The complainant has exhausted all internal complaint or grievance options available at the institution and no acceptable outcome was reached; and
- C. The complaint relates to an issue, dispute or incident involving the distance education program being offered by the institution which occurred within two (2) calendar years from the date of the alleged violation(s); and
- D. One or more of the allegations relate to the complaint:
 1. The institution's distance education program does not meet the state authorization requirements in Section 3 (Institutions and Participation) of the *SARA Policy and Standards*; or

Complaint and Grievance Procedure for Nicolet College Students

2. The institution violated Section 4 (Consumer Protection) of the SARA Policy and Standards; or
3. The institution's distance education program does not meet any other standards established by the institution's accrediting agency or SARA.

The DLAB has no statutory or lawful authority or responsibility to respond to complaints related to course grades, academic sanctions or discipline/conduct matters in regard to any institution within the State of Wisconsin.

HEALTH RISKS OF ALCOHOL AND OTHER DRUG USE

Alcohol

Psychologically and physically addictive; respiratory depression; depression of the immune system; increased risk of heart disease, cancer, accidents, hypertension; brain damage to unborn fetus; impotence at high dosage levels. Specific effects include:

- **Brain** – The most dramatic and noticed effect alcohol has is on the brain. It produces lack of coordination, confusion, disorientation, stupor, anesthesia, coma, and finally death.
- **Liver** – alcohol inflames and destroys the cells of the liver. This condition prevents bile from being properly filtered through the liver. Jaundice develops, turning the whites of the eyes and the skin yellow.
- **Heart** – Alcohol causes inflammation of the heart muscle.
- **Pancreas** – Alcohol irritates the cells of the pancreas and can lead to acute hemorrhagic pancreatitis. Pancreatitis can destroy the pancreas and create a lack of insulin.
- **Stomach and Intestines** – Alcohol also irritates the stomach's protective lining and can result in gastric or duodenal ulcers. In the small intestine, alcohol blocks absorption of substances such as thiamine, folic acid, vitamin B1, vitamin B12, and amino acids.

Cannabis (Marijuana, Hashish)

Psychologically addictive; increased risk of lung cancer, bronchitis, and emphysema; contributes to heart disease, fatigue, paranoia, possible psychosis; withdrawal symptoms including insomnia, hyperactivity and decreased appetite; depression of the immune system; decreased sperm count in men and irregular ovulation in women.

Stimulants (Cocaine, Crack, Amphetamines, Methamphetamine)

Psychologically and physically addictive; withdrawal symptoms, convulsions, respiratory failure, frequent accidents; increased blood pressure which can lead to irregular heartbeat and death; possible damage to unborn fetus.

Depressants (Barbiturates, Tranquilizers)

Psychologically and physically addictive; drowsiness, withdrawal symptoms, tremors, abdominal and muscle cramps, insomnia, anxiety, convulsions, possible death; possible damage to unborn fetus; potentially fatal when combined with alcohol.

Hallucinogens (LSD, PCP, Ecstasy, Psilocybin)

Psychologically addictive, unpredictable behavior, depression, withdrawal symptoms, convulsions, death, possible damage to unborn fetus.

DRUG FREE SCHOOLS AND COMMUNITY ACT

Inhalants (Glue, Gasoline, Paint, Aerosols)

Psychologically and physically addictive; blurred vision; damage to lungs, liver, kidneys and bone marrow; anemia, choking, suffocation, death.

Narcotics (Heroin, Codeine, Darvon, Morphine, Vicodin, OxyContin, Synthetic Opiates)

Psychologically and physically addictive; depression, withdrawal symptoms, convulsions, coma and death; possible damage to unborn fetus.

Tobacco (All Forms)

- **Mouth, Larynx and Esophagus**—Smokers have three times as many cavities as non-smokers. Tobacco, both smoked and smokeless, is the leading cause of cancers of the cheeks, gums, palate, tongue and lips. Smokers lose their teeth at a rate three times greater than nonsmokers do. A one pack-a-day smoker increases their chances of cancer of the esophagus by as much as 500%.
- **Stomach and Heart**—Peptic ulcers are twice as high in smokers as nonsmokers. Nicotine from any source causes secretion of excessive amounts of gastric acids, and delays healing of ulcers. Nicotine is a powerful constrictor of the small arteries. Insufficient oxygen supply to the heart is a cause of heart attacks.
- **Pancreas, Bladder, and Kidneys**—Smokers have a 100% increased risk of developing cancer of the pancreas, three times the risk of bladder cancer, and a 50% greater risk of kidney cancer. Carcinogens absorbed from cigarette smoke and smokeless tobacco can concentrate and be excreted in the urine. The bladder and the kidneys are in constant contact with these cancer-causing chemicals.
- **Bronchial Tubes and Lungs**—Smoking causes the lungs and bronchial tubes to be inflamed and congested. Chronic bronchitis predisposes smokers to emphysema, an incurable lung disease. Emphysema is characterized by stretching and breaking of the tiny air sacs of the lungs, making them useless for breathing. Cigarette smokers are ten times more likely to die of lung cancer than nonsmokers.
- **Reproduction**—Smoking more than a half pack daily is associated with higher incidence of infertility in women. Babies born to women who smoke can cause a baby to be born too early and have a low birth weight than those born to nonsmokers. This is important because birth weight is a predictor of infant health. Women who take birth control pills and who smoke are at greater risk of cancer.
- **Brain**—A combination of high blood pressure and smoking is associated with stroke, the third leading cause of death in the U.S. Nicotine from any source constricts blood vessels and restricts oxygen supply.

FEDERAL AND STATE OF WISCONSIN LEGAL SANCTIONS

Federal

The federal government has revised the penalties against drug possession and trafficking through its Federal Sentencing Guidelines that reduce the discretion that federal judges may use in sentencing offenders of federal drug statutes. Under these guidelines, courts can sentence a person for up to six years for unlawful possession of a controlled substance, including the distribution of a small amount (less than 250 grams) of marijuana. A sentence of life imprisonment can result from a conviction of possessions of a controlled substance that results in death or bodily injury. Possession of more than 5 grams of cocaine can trigger intent to distribute penalty of 10-16 years in prison, U.S.S.G.s. 2D2.1(b)(1). Additional federal sanctions are located at the following link: [Title 21 United States Code \(USC\) Controlled Substances Act](#)

Wisconsin

The laws of Wisconsin prohibit drug possession and delivery through the Uniform Controlled Substances Act, Wis. Statute 961, and mandate stiff penalties that include up to 40 years of prison and fines up to \$100,000. A person with a first-time conviction of possession of a controlled substance can be sentenced up to 6 years in prison and fined up to \$10,000, [Wis. Statute 961.41](#).

The penalties vary according to amount and type of drug confiscated, previous offenses, and intent to manufacture, sell, or use the drug. See Wis. Statute 961.41. Sentences can be enhanced when exacerbating factors are present, such as when a person distributes a controlled substance to a minor, Wis. Statute 961.46.

Substantial restrictions against alcohol abuse also exist. It is against the law to sell alcohol to anyone who has not reached the legal drinking age of 21 and there is a concurrent duty on the part of an adult to prevent the illegal consumption of alcohol on their premises, [Wis. Statute 125.07](#). Violation of the statute can result in a \$500 fine for a first violation and up to \$10,000 for additional violations.

It is against the law for underage persons to attempt to buy an alcoholic beverage, falsely represent their age, or enter licensed premises and they can be fined \$500, ordered to participate in a supervised work program, and have their driver's license suspended, Wis. Statute 125.07. Harsher penalties exist for the retailers of alcoholic beverages, including up to 90 days in jail and revocation of their liquor permit.

For specific information regarding **underage drinking laws** and [drinking/driving laws](#), contact the Director of Security at 715-365-4420.

Resources

On-Campus

Students who are concerned about their own use of alcohol and/or other drugs or about the use of someone close to them are encouraged to contact Transitions Counseling for more information and/or assessment and referral as appropriate. Contact Transitions Counseling at 715-365-4448 to schedule an appointment.

Off-Campus

The Wisconsin Department of Health Services, through its Division of Care and Treatment Services, publishes a comprehensive pamphlet listing facilities around the state that provide treatment for drug and alcohol addiction. How to Help

Warning Signs

If you know someone who has problems related to drinking alcohol or other drug use, you're not alone. If your friend exhibits any of the following warning signs encourage them to speak to someone.

- Try to hide their drinking or other drug use.
- Not remember what happened while they were using drugs or drinking.
- Have problems in job or school performance.
- Take physical risks while intoxicated, such as driving, biking or swimming.
- Avoid talking about drinking or drug use, except to brag about how much was drunk or how high they got.
- Think about getting high a lot.
- Limit friends to those who drink or use drugs.
- Seem unable to have a good time or to party unless alcohol or drugs are available.
- Say they sometimes need a drink or drugs.
- Get angry when you mention your concerns about their drinking/drugs and deny that there's anything wrong.
- Have a history of alcohol or other drug problems in the family.

How You Can Help

First, learn more about alcohol and other drug abuse. Libraries, alcohol and other drug information agencies and treatment centers are good resources for more information.

Next, find out where your friend can get help on campus or in your community. See the Resources available section in this document. Having resource information available if and when your friend wants it will pay off. Most people who seek help for alcohol or drug problems get better.

Let your friend know how much you care. Explain how their drinking and/or drug use affects you and your friendship. Use your own words and say what is right for you. Be honest and specific. Say exactly what makes you unhappy and how those problems relate to drinking and/or drugs.

Don't get discouraged if your friend gets angry, refuses to listen, or denies they have a problem. These reactions are common in someone who has alcohol or other drug problems. All you can do is say how you feel, show that you care, and suggest them. Only your friend can make the final decision to get help.

AP 2.02 PRIVACY OF RECORDS – RELEASE OF INFORMATION POLICY (SEPT. 2018)

POLICY

Title: Privacy of Records – Release of Information	Number: AP 2.02
	Adopted: March 1995
	Reviewed: April 2020
	Revised: April 2020

The Nicolet College policy on record privacy and releasing information follows the directives outlined in the Family Education Rights and Privacy Act (FERPA), the federal law governing the protection of educational records. FERPA rights begin after the student is accepted at Nicolet College and starts classes.

Only the student may authorize the release of their personally identifiable information (PII) in an education record. All such authorizations must be in writing. A fee will be assessed for copying all or a portion of a student record, except those students governed by the provisions of the European Union General Data Protection Regulation (EU GDPR) in which no fee will be assessed.

Notification

Students and stakeholders can find this policy on the website, or may obtain a copy of the policy from the Welcome Center in the Red Oak Center. Additionally, registered students will be notified of this policy annually via all-student email.

Student Rights Under FERPA

1. Students have a right to inspect and review their own educational records. The student must submit a signed, written request to the Registrar that identifies the record(s) they wish to inspect. The Registrar will make arrangements for access within 45 days and notify the student when and where the records may be inspected, except those students governed by the provisions of the EU GDPR in which students will be given electronic access, if requested, within 30 days. Before being allowed to view the record, the student must present official photo identification.
2. Students have a right to request the amendment of educational records that they believe are inaccurate or misleading. The student must present a written request to the Registrar, clearly identifying the part of the record they want changed, and specify why it is inaccurate or misleading.

If the Registrar denies the request to amend the record, the Registrar will notify the student and advise them of their right to appeal the decision using the Complaint and Grievance Procedure for Nicolet College Students, in [AP 1.06 Student Code of Conduct and Grievance Procedure](#).

3. Students have a right to grant written consent to disclosures of personally identifiable information contained in their own education record; FERPA authorizes some disclosures without consent.
4. A record of disclosures will be maintained within a student’s file indicating when information has been released from that file and to whom, except for disclosures for a legitimate educational interest. Students will not be notified of legally restricted disclosures or disclosures for a legitimate educational interest.

5. Currently active students have the right to restrict the disclosure of *Directory Information*. To restrict the disclosure of *Directory Information*, a student must file a written request with the Registrar. This request to restrict disclosure of *Directory Information* will be honored until the student notifies the Registrar, in writing, to the contrary (see section on Directory Information below).
6. Students who suspect a FERPA violation has occurred should contact the Registrar. Students also have a right to file a complaint with the U.S. Department of Education concerning alleged failures of the College to comply with requirements of FERPA.

The name and address of the office that administers FERPA is:

Family Policy Compliance Office

U.S. Department of Education

400 Maryland Avenue, SW

Washington, D.C. 20202-8520

Phone: (202) 260-3887

Email: FERPA.Customer@ED.Gov

EXCEPTIONS UNDER FERPA

Under certain conditions, personally identifiable information can be released without student consent. These exceptions include:

Directory Information

The use of the term *Directory Information* does not mean that the College actually has a document containing Student Directory Information, or that the College has any obligation to produce such a document. The term *Directory Information* is a legal term applying to information that the College can release, without student consent, to any third party. Nicolet does not disclose any directory information for marketing or solicitation purposes, with the sole exception of the Nicolet College Foundation for foundation related activities.

The College has defined *Directory Information* as the following:

- Name
- Address*
- Phone number*
- Enrollment status
- Date of Birth
- Major field of study
- Classification and year
- Dates of enrollment
- Expected graduation date
- Types of degrees/diplomas/certificates and date granted

- Academic honors/awards received and date granted
- Photos/videos of students for use in College press releases, publications, and web sites
- Nicolet College assigned student email addresses

*Indicates *Limited Directory Information*

Limited Directory Information

Nicolet designates address and phone numbers as limited directory information only. This information is only eligible for release to Nicolet Area Technical College Foundation for Foundation-related activities and to the National Student Clearinghouse for compliance and reporting purposes.

U.S. Military

According to the Solomon Amendment, the College must release the student's name, address, phone number, date of birth, class level, degrees received, major, and the most previous educational institution in which the student was enrolled to the U.S. Armed Forces.

Authorized Federal, State, and Local Authorities

Student authorization is not required to disclose PII to an authorized representative of the following individuals or entities:

- The Comptroller General of the United States
- The Secretary of the U.S. Department of Education
- State educational authorities
- Accrediting organizations
- Agencies involving an audit or evaluation of compliance with education programs

Financial Aid

The College may disclose PII from a student's education record without the student's consent if the information disclosed is necessary to determine the eligibility for financial aid; determine the amount of the aid; determine the conditions for the aid; and/or enforce the terms and conditions of the aid. The disclosure of PII to Employers, Native American Tribal Education Departments, Division of Vocational Rehabilitation, and the Veterans Administration is permissible as long as the disclosure of PII is in connection with the payment of financial aid funds for which the student has applied or has already received.

Studies

The College may disclose PII from a student's education record without the student's consent to organizations conducting studies for, or on behalf of, Nicolet College.

Other Educational Institutions

PII can be released to other schools at which the student is dually enrolled, seeks enrollment, or intends to enroll.

Emergency Situations

PII can be released to law enforcement personnel, emergency personnel, and College officials in an emergency to protect the health or safety of students or other persons.

Legitimate Educational Interest

Officials of the College who have a legitimate educational interest may have access to student records without obtaining consent from the student.

Officials of the College are defined as:

- persons employed by the College in an administrative, supervisory, academic, research, or support staff position;
- persons serving on College governing bodies; and
- persons employed by or under contract to the College to perform a specific task, such as an attorney, auditor, or collection agent.

An official has a legitimate educational interest if they need to:

- perform duties specified in their job description or under terms of contractual agreement;
- provide campus services related to a student, such as advising, financial aid, or counseling;
- conduct tasks related to a student's education, campus discipline, and/or security.

Judicial Order

Personally identifiable information must be released to comply with a judicial order or lawfully issued subpoena. Unless the court (or other issuing agency) has ordered that the existence or the contents of the subpoena or judicial order not be disclosed, the College will make a reasonable effort to notify the student before complying so the student may seek protective action.

Grievance Hearing

Information about a student or students involved in a grievance investigation may be released to members of the grievance committee, including any students assigned to that committee, if such information applies to the investigation.

Disciplinary Hearing

The results of a disciplinary hearing may be released to an alleged victim of a crime of violence or a non-forcible sex offense without the permission of the accused.

U.S. Patriot Act

The College must release, without consent or knowledge of the student, personally identifiable information from the student's education record to the Attorney General of the United States or designee in connection with the investigation or prosecution of terrorism crimes specified in sections 2332b(g)(5)(B) and 2331 of Title 18, U.S. Code.

Security and Access to Campus Facilities

The College has Campus Security; however, they do not have arrest powers. The security officers have the authority to ask persons for identification and to determine whether individuals have lawful business at the College. College security officers have the authority to issue parking tickets, College tobacco violation tickets, and to enforce College policy.

The College uses local law enforcement agencies that have jurisdiction over the Rhinelander Campus and Outreach Centers to investigate and enforce ordinances and criminal laws. The Oneida County Sheriff's Department has jurisdiction over the Rhinelander Campus. The Oneida County Sheriff's Department periodically patrols the Rhinelander Campus.

The College is a non-residential college and therefore does not provide 24-hour security coverage. Facilities and security personnel patrol the grounds of the Rhinelander Campus while the campus is open. College staff regularly check outdoor pathway lighting and egress lighting in hallways and stairwells. Facilities personnel also maintain the Lakeland Outreach Center.

The Rhinelander Campus is accessible to students, staff, and the general public during normal business hours. However, the campus grounds at both locations are open to vehicular and pedestrian access 24 hours a day, seven days a week. The College-controlled buildings are locked when not in use. All buildings on the Rhinelander Campus use a card access system and digital video systems.

The College does not have any officially-recognized student organizations with off-campus locations.

Possession, Use, and Sale of Alcohol and Illegal Drugs

As outlined in Alcohol and Drug Use AP 4.05, the College prohibits the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances, including but not limited to alcohol, prescription, and illicit drugs on any College-controlled premise or College-sponsored event. Information on alcohol and drug addiction treatment centers and clinics is available in the College Safety and Security Resource Guide. Sanctions for individuals who violate College policies may include expulsion and/or termination from the College, with referral to local law enforcement for violations of local ordinances and criminal laws.

Emergency Response Guide and Evacuation Procedures

Each classroom has a hardcopy or electronic access to an Emergency Response Guide and maps indicating what to do in the event of most emergency situations. This includes shelter locations for severe weather and evacuation routes and staging areas for fire emergencies.

The Emergency Response Guide can also be viewed on the College website. The College holds evacuation and/or shelter in place drills at least once each academic year. The College also conducts safety and security related tabletop exercises in new employee orientations. Please review the Emergency Response Guide regularly to be prepared in the event of an emergency.

Crime Prevention and Security Procedures

The College prohibits domestic violence, dating violence, sexual assault, stalking, and any other criminal activities. Crime prevention, security procedures, and practice information is presented during new student and employee online orientations, and periodically during in-service training. The online new student and employee orientation, the crime prevention and security procedures covered include primary prevention and awareness programs that promote awareness of rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. The orientation includes the following information:

- A statement that the College prohibits these and other criminal offenses;
- the definition of the specific offenses listed above;
- the definition of consent, with reference to sexual offenses;
- “safe and positive” options for bystander intervention an individual may take to “prevent harm or intervene” in risky situations;
- recognition of signs of abusive behavior and how to avoid potential attacks; and
- ongoing prevention and awareness campaigns for students and staff on all of the above.

In addition, facilities and security personnel conduct routine inspections and patrol buildings and grounds to identify and correct deficiencies. Being proactive is preferable to being reactive. Crime prevention is based upon the dual concepts of eliminating or minimizing criminal opportunities whenever possible and encouraging students and staff to be responsible for their own security and the security of others. The following is a list of campus crime prevention tactics that may reduce the risk of becoming a victim:

- Walk on established walkways. At night walk on lighted walkways.
- Always lock your vehicle.
- If on campus in the evening, park close to the building in lighted areas and walk with others.
- Items of value left in vehicles should be placed out of sight.
- Never leave items of value unattended.
- Promptly report any suspicious behavior to Campus Security or the Emergency Response Team.

- Do not leave keys, access cards, or valuables unattended.
- Always lock doors in unattended office areas.
- Never give out computer passwords.
- When working during non-business hours, inform family and colleagues of your location and schedule.

Recommended security procedures are located in the College Emergency Response Guide.

Sexual Assault

Sexual assault is an offense classified as a forcible or non-forcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.

Consent is defined as “words or overt actions by a person who is competent to give informed consent indicating a freely given agreement to have sexual intercourse or sexual contact”. Minors (under the age of 18), persons suffering from mental illness or defect, and sleeping or unconscious persons are presumed unable to give consent. Failure to resist does not indicate consent. Ch. 940.225(4), Wis. Stats.

Sexual assault is any type of sexual contact or behavior that occurs without the explicit consent of the recipient. Falling under the definition of sexual assault are sexual activities as forced sexual intercourse, forcible sodomy, child molestation, sexual assault of a child, incest, fondling, and attempted rape.

Information and resources related to sexual assault can also be found in the College Safety and Security Resource Guide.

Sexual Assault Prevention

The College offers the following guidelines to aid in preventing sexual assault. Additional guidance and specific training information can be obtained from the agencies listed in the College Safety and Security Resource Guide.

The following information can also be referenced at The Wisconsin Coalition Against Sexual Assault at <http://www.wcasa.org>

Rohypnol and GHB are the most commonly referred to as “club drugs” and are the most frequently used in drug-facilitated rapes. The chemicals are often colorless, odorless, and tasteless, and as a result, the victim often unknowingly ingests the chemical after a perpetrator has mixed it into an unattended drink. Therefore, it is strongly suggested that you do not accept beverages that have already been opened. Accept drinks only from service workers such as bartenders, and do not leave your drink unattended.

Please keep in mind that nearly 7 in 10 (70%) of sexual assault victims knew their attacker. It is reported that drugs and alcohol are an important influencing factor in non-stranger (date/acquaintance) rape.

You may be able to reduce your risk by following these recommendations:

- Park and walk in well-lighted areas and follow the other pertinent crime prevention strategies listed under Crime Prevention and Security Procedures outlined above.
- Trust your instincts. If the situation feels uncomfortable, leave immediately.
- Be assertive and expect respect.
- Stay sober. Be aware of date-rape drugs. Do not leave your drink unattended.
- Do not accept food or drinks that are opened or not directly from the server.
- Be cautious when inviting someone into your home or going to someone else's home.
- Use a buddy system. Always make sure that someone else knows who you are with, where you will be, and when you are expected to return.
- Carry a cell phone and/or have money available for a phone call or transportation to get away if necessary.

Sex Offender Information

In 1997, the State of Wisconsin enacted the Sex Offender Registration and Community Notification Law. The law was created to monitor and track people convicted of sex crimes and to provide access to this information for police, victims, and the general public. Information on registered sex offenders since 1995 in this state can be obtained on the web at <http://offender.doc.state.wi.us/public/> or you may call 608-240-5830 between 7:45 a.m. and 4:30 p.m., Monday through Friday.

Crime Reporting Procedures

The College encourages prompt and accurate reporting of all crimes, assaults, or suspicious behavior. If any offense occurs on a College-controlled premise, during a College-sponsored event, at an off-campus event, or even off-campus, the College recommends that victims immediately report any offense to local law enforcement. Key contact numbers are found in the Emergency Response Guide located in Nicolet College buildings, classrooms, and on the College website. When safe to do so, report the incident to Campus Security or the Emergency Response Team who will take action and issue a timely warning if the perpetrator remains at large while making every effort to not identify the victim.

The College crime reporting policy requires all staff to report crimes and/or suspicious behavior to Campus Security, the Emergency Response Team, or law enforcement. When deemed appropriate, college officials will involve local law enforcement agencies. All crime information (including anonymous reports) reported to Campus Security and/or the Emergency Response Team is recorded in the Daily Crime Log. If the crime is deemed to meet a Clery Act Reportable category, it is included in the annual Clery report. All crimes and behavioral violations (student and staff) are recorded and maintained by the Director of Risk, Compliance, and Security.

While the College does not have pastoral or professional counselors on staff to work with victims, it can assist students by providing information on various private and public options for such services.

Emergency Crime Reporting Procedures

In the event of an emergency call **911** immediately. An emergency situation can be defined as any event that may pose a significant threat to the life, safety, or health of students and/or employees. After contacting authorities, call or contact any College employee. Then, if the situation allows, call the Emergency Response Team. Students should follow the directions of College staff and emergency services personnel during an emergency.

Crimes May Be Reported Anonymously

To report a crime and/or dangerous situation anonymously, contact Campus Security or the Emergency Response Team (ERT) and inform them of your wish to remain anonymous.

The College will honor an individual's request to remain anonymous. This same process can also be followed when making reports to local law enforcement.

Fire Safety Report and Missing Student Notification Procedures

The College is a commuter (non-residential) college. Therefore, these statistics and procedures are not collected or in existence. They only apply if a College maintains student housing.

Reporting Domestic Violence, Dating Violence, Sexual Assault, Sexual Violence, and Stalking See AP 3.07 Title IX and Violence Against Women Act/Clery Compliance

Timely Warning of Potential Threats

In the event a significant emergency, an ongoing or continuing threat to personal safety, or dangerous situation arises, a timely warning will be issued. The decision to issue a timely warning will be based on information and facts received by the College and if possible verified by outside agencies (law enforcement, Emergency Management, Health Department, National Weather System, etc.). The ERT will determine the content of the notification and when to initiate the notification system. Notification may be delayed when professional judgment of outside emergency response agencies indicates immediate notification would compromise safety and security.

In situations that may pose an immediate physical threat to members of the campus community (e.g., murder, severe weather, fire, gas leak). The Emergency Response Team may issue warnings through the College Informacast System RAVE and/or email system to students and employees. Depending on the situation, other notification processes may be used (i.e. Blackboard posting, fire alarms, tornado sirens, and media releases). The Clery Act mandates that, for crimes considered a threat to other students and employees, victims' names be withheld.

The Emergency Response Team may also determine there is a specific segment of students and staff who need notification. This decision will be made in conjunction with the appropriate outside agency. If that is the case, the Emergency Response Team will make a determination of how to best convey that information to the specific segment.

Anyone with information warranting a timely warning should report the circumstances to the Emergency Response Team immediately.

College Student and Employee Conduct Investigations Related to Domestic Violence, Dating Violence, Sexual Assault, and Stalking (AP 3.07 Title IX and Violence Against Women Act/Clery Compliance)

Disclosure of Student Disciplinary Proceedings for Violent Crimes or Non-forcible Sex Offenses

The alleged victim of a crime of violence or a non-forcible sex offense may make a written request for disclosure of the results of any disciplinary hearing conducted by the College against the student who is the alleged perpetrator of the crime or offense.

If the alleged victim is deceased as a result of the crime or offense, the next of kin of the alleged victim shall be treated as the alleged victim in relation to disclosure. The College will provide the results of the disciplinary hearing to the alleged victim's next of kin, if so requested.

Daily Crime Log

The purpose of the Daily Crime Log is to record criminal incidents and alleged criminal incidents reported to Campus Security. Crime Log entries include all Clery related crimes reported to Campus Security for the required geographic locations. The Daily Crime Log discloses specific information about criminal incidents, not crime statistics. The Daily Crime Log is designed to disclose crime information on a timelier basis than the annual statistical disclosures. The victims' confidentiality will be protected, including record-keeping that excludes personally identifiable information on victims. This includes crimes that are reported directly to Campus Security, as well as crimes that are initially reported to another campus security authority (Emergency Response Team, Security Staff) or to a local law enforcement agency who subsequently reports them to Campus Security.

An entry, an addition to an entry, or a change in the disposition of a complaint is recorded within two business days of the receipt of the information by Campus Security. Updates to the disposition of a crime log entry will not be made if 60 business days have passed from the date of the entry. A business day is Monday through Friday, except for days when the College is closed. The only exceptions to this rule are:

- if the disclosure is prohibited by law; or
- if the disclosure would jeopardize the confidentiality of the victim.

Campus Security may temporarily withhold information if there is clear and convincing evidence that the release of information would:

- jeopardize an ongoing investigation;
- jeopardize the safety of an individual;
- cause a suspect to flee or evade detection;
- result in the destruction of evidence.

However, the information will be added to the Daily Crime Log once the adverse effect is no longer likely to occur.

The Daily Crime Log is located on the College website on the security page. A hard copy is maintained by the Director of Risk, Compliance and Security located in the Red Oak Center, Room 207C.

Annual Clery Crime Statistics

Nicolet College complies with the Jeanne Clery Disclosure Act and prepares an annual report of crimes that have occurred on the Rhinelander Campus and at Outreach Centers. The report can be found on the College website on the security page, or may be obtained from Campus Security. As required by law, the report is also distributed annually to students and staff by October 1st. Campus crime, arrests, and referral statistics include those reported to local law enforcement and to College officials, including anonymous reports. In an effort to obtain the statistics from local law enforcement, Campus Security makes a written request to each local law enforcement agency to obtain a listing of any crimes they had reported to them and/or they had investigated. The reported crimes are also maintained in a Daily Crime Log, which is also located on the College website on the security page.

**AP 3.07 TITLE IX AND VIOLENCE AGAINST WOMEN ACT
CLERY COMPLIANCE POLICY**

The College is bound by and supports all applicable laws. This policy addresses Title IX of the Education Amendments of 1972 (“Title IX”), which prohibits discrimination on the basis of sex in any educational program or activity receiving federal financial assistance. This policy also addresses the requirements of the Campus Sexual Violence Elimination Act (“Campus SaVE Act” or “SaVE Act”), and the 2013 Violence Against Women Act (VAWA) Amendments to the Jeanne Clery Act. Pursuant to Title IX, the College does not discriminate on the basis of sex (which includes for purposes of this policy gender, gender identity, and sexual orientation) in the administration of its educational programs or activities.

Nicolet College encourages members of the educational community to report sexual harassment. This procedure only applies to conduct defined sexual harassment under Title IX and applicable federal regulations and that meet Title IX jurisdictional requirements. Nicolet College will respond to sexual harassment and sexual misconduct that falls outside that definition and outside the jurisdiction of the Title IX federal regulations using State law and applicable College policies and procedures. In implementing these procedures discussed below, Nicolet College will also provide supportive measures, training, and resources in compliance with State law, unless they are preempted by the Title IX regulations.

Title IX Coordinator

Questions concerning Title IX may be referred to Nicolet College’s Title IX Coordinator whose contact information is below.

Nicolet College’s Title IX Coordinator is **Matthew R. Schur** and the Title IX Coordinator’s contact information is:

5364 College Drive – Rhinelander, WI 54501 – Red Oak Center 207C
715.365.4615
mschur@nicoletcollege.edu

The Title IX Coordinator is required to respond to reports of sexual harassment or misconduct. The Title IX Coordinator will handle information received with the utmost discretion and will share information with others on a need-to-know basis. For example, the Title IX Coordinator may need to address public safety concerns on campus, comply with State and federal legal requirements, or share information to implement supportive measures.

A report of sexual harassment to the Title IX Coordinator does not necessarily lead to a full investigation, as discussed more fully below. However, the Title IX Coordinator will make an assessment to determine if there is a safety risk to the campus. If the Title IX Coordinator finds there is a continued risk, the Title IX Coordinator will file the formal complaint without the Complainant's consent or cooperation.

Title IX Harassment Complaints, Investigations, and Hearings

These Title IX sexual harassment procedures and the related policy protects students, employees, applicants for employment, and applicants for admission.

Jurisdictional Requirements – Application of Procedures

These procedures apply if the conduct meets the following three jurisdictional requirements:

- The conduct took place in the United States;
- The conduct took place in an official Nicolet College “education program or activity.” This includes locations, events, or circumstances over which Nicolet College exercised substantial control over both the Respondent and the context in which the harassment occurred, including on-campus and off-campus property and buildings Nicolet College owns or controls or student organizations officially recognized by Nicolet College own or control.
- The conduct meets the definition of Title IX “sexual harassment.”

Definitions

Advisor: Throughout the grievance process, both the Complainant and Respondent have a right to an Advisor of their choice. If a Party does not have an Advisor at the time of the hearing, Nicolet College must provide the Party an Advisor of its choice, free of charge. Nicolet College may establish restrictions regarding the extent to which the Advisor may participate in the proceedings as long as the restrictions apply equally to both Parties.

Complainant: A Complainant is an individual who alleges he/she/they is the victim of conduct that could constitute sexual harassment.

Consent: “Consent”, as used in this section, means words or overt actions by a person who is competent to give informed consent indicating a freely given agreement to have sexual intercourse or sexual contact. Persons suffering from a mental illness or defect which impairs capacity to appraise personal conduct, and/or a person who is unconscious or for any reason physically unable to communicate unwillingness to an act are presumed to be incapable of consent.

Decision-Maker: The person, or group of people, who will oversee the live hearing and make a determination of responsibility. Nicolet College may choose to have one Decision-Maker determine whether the Respondent is responsible and another Decision-Maker determine the appropriate level of penalty for the conduct. The Decision-Maker cannot be the Title IX Coordinator or the investigator.

Formal Complaint: A written complaint signed by the Complainant or Title IX Coordinator, alleging sexual harassment and requesting an investigation. If the Title IX Coordinator signs the formal complaint, he/she/they will not become a Party to the complaint.

Parties: As used in this procedure, this means the Complainant and Respondent.

Respondent: A Respondent is an individual reported to be the perpetrator of conduct that could constitute sexual harassment.

Sexual Harassment under Title IX: Conduct that satisfies one or more of the following:

- A Nicolet College employee conditions the provision of an aid, benefit, or service of Nicolet College on an individual’s participation in unwelcome sexual conduct (*quid pro quo* harassment);

- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to Nicolet College's education program or activity;
- Sexual assault, including the following:
 - **Sex Offenses.** Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.
 - **Rape** (except Statutory Rape). The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her/their age or because of his/her/their temporary or permanent mental or physical incapacity. There is carnal knowledge if there is the slightest penetration of the genital or anal opening of the body of another person.
 - **Sodomy.** Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her/their age or because of his/her/their temporary or permanent mental or physical incapacity.
 - **Sexual Assault with an Object.** To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her/their age or because of his/her/their temporary or permanent mental or physical incapacity. An "object" or "instrument" is anything the offender uses other than the offender's genitalia, e.g., a finger, bottle, handgun, stick.
 - **Fondling.** The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her/their age or because of his/her/their temporary or permanent mental or physical incapacity.
 - **Sex Offenses, Non-Forcible Unlawful, Non-Forcible Sexual Intercourse.**
 - **Incest.** Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
 - **Statutory Rape – Non-Forcible.** Sexual intercourse with a person who is under the statutory age of consent. There is no force or coercion used in Statutory Rape; the act is not an attack.
 - **Dating violence.** Violence against a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of a relationship will be determined based on a consideration of the following factors: the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
 - **Domestic Violence.** Violence committed:
 - By a current or former spouse or intimate partner of the victim;
 - By a person with whom the victim shares a child in common;
 - By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;
 - By a person similarly situated to a spouse of the victim under the domestic or family violence laws of Wisconsin or
 - By any other person against an adult or youth victim protected from that person's acts under the domestic or family violence laws of Wisconsin.
 - **Stalking.** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his/her/their safety or the safety of others or suffer substantial emotional distress.

Reporting Options

Any individual may report sexual harassment to Nicolet College's Title IX Coordinator.

Nicolet College strongly encourages prompt reporting of sexual harassment. Prompt reporting allows for the collection and preservation of evidence, including physical evidence, digital media, and witness statements. A delay may limit the College's ability to effectively investigate and respond.

Individuals have the opportunity to decide whether they want to pursue a formal Title IX complaint. Reporting sexual harassment to the Title IX Coordinator does not automatically initiate an investigation under these procedures. A report allows the College to provide a wide variety of support and resources to impacted individuals and to prevent the reoccurrence of the conduct. A Complainant or the Title IX Coordinator filing a formal complaint will initiate an investigation.

If there are parallel criminal and Title IX investigations, Nicolet College will cooperate with the external law enforcement agency and will coordinate to ensure that the Title IX process does not hinder legal process or proceedings.

The College will document reports of sexual harassment in compliance with the Clery Act, a federal law requiring data collection of crime within the campus geography. Under the Clery Act, the College does not document personal information; the College reports the type of conduct, and the time, date, and location.

Nicolet College Employees and Officials with Authority

Nicolet College Officials with Authority are not confidential resources and are required to report allegations of sexual harassment to the Title IX Coordinator promptly. All other employees are encouraged to report allegations to the Title IX Coordinator but are not required to do so.

Officials with Authority are required to report all relevant information they know about sexual harassment including the name of the Respondent, the Complainant, any other witnesses, and the date, time, and location of the alleged incident.

Intake and Processing of Report

Receipt of Report

After receiving a report of sexual harassment, the Title IX Officer will contact the Complainant and reporting party to explain rights under this policy and procedure and invite the Complainant to an in-person meeting. The Title IX Officer will discuss supportive measures with the Parties.

Timeframe for Reporting

To promote timely and effective review, Nicolet College strongly encourages individuals to report sexual harassment as soon possible because a delay in reporting may affect the ability to collect relevant evidence and may affect remedies the College can offer.

Supportive Measures

Supportive measures are non-disciplinary, non-punitive individualized services offered free of charge to the Complainant or the Respondent regardless of whether a formal complaint has been filed. Nicolet College will provide the Complainant and Respondent with supportive measures as appropriate and as reasonably available to restore or preserve equal access to the College's education program or activities. These measures are designed to protect the safety of all Parties, protect the College's educational environment, or deter sexual harassment. The College will provide supportive measures on a confidential basis and will only make disclosures to those with a need to know to enable the College to provide the service. Supportive measures may include counseling, extensions of deadlines, other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the Parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

Removal of Respondent Pending Final Determination

Upon receiving a report regarding sexual harassment, the Title IX Coordinator will make an immediate assessment concerning the health and safety of the Complainant and campus community as a whole. Nicolet College has the right to order emergency removal of a Respondent, or if the Respondent is an employee, place the employee on administrative leave.

Emergency Removal

Nicolet College may remove a non-employee Respondent from the College's education program or activity on an emergency basis after it conducts an individualized safety and risk analysis and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal.

The College may not use emergency removal to address a Respondent's threat of obstructing the sexual harassment investigation or destroying relevant evidence. Emergency removal is only available to address health or safety risks against individuals arising out of sexual harassment allegations, not to address other forms of misconduct that a Respondent might commit pending the processing of a complaint.

The College's Risk Manager or Director of Security or designee will conduct the individualized safety and risk analysis.

If it is determined that emergency removal is appropriate, he/she/they or designee will provide the person the College is removing from campus on an emergency basis with a notice and opportunity to attend a meeting and challenge the basis of his/her/their removal. The Risk Manager or Director of Security or designee will determine whether the emergency removal from campus order is warranted after considering information provided by the Respondent challenging the emergency removal.

Administrative Leave

Nicolet College may place a non-student employee Respondent on administrative leave during the pendency of a grievance process described in the formal complaint process below. The College will follow any relevant policies, procedures, collective bargaining agreements, or State law in placing an employee on administrative leave.

Formal Complaint Grievance Process

Notice to Parties

Upon receipt of a formal complaint, the Title IX Coordinator will provide the following notice in writing, to the Parties:

- Notice of Nicolet College's Title IX grievance process;
- Notice of the allegations of alleged sexual harassment with sufficient details known at the time and with sufficient time to prepare a response before any initial interview;
- Statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- Notice that the Parties may have Advisor of their choice, who may be, but is not required to be, an attorney;
- Notice that the Parties may inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the College does not intend to rely in reaching a determination regarding responsibility, and inculpatory or exculpatory evidence whether obtained from a Party or other source; and
- Inform the Parties of any provision in the College's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the College decides to investigate allegations about the Complainant or Respondent that are not included in the notice provided above, the Title IX Coordinator will provide notice in writing of the additional allegations to the Parties.

Dismissal of Formal Complaint

Nicolet College must investigate the allegations in a formal complaint. However, the College must dismiss the formal complaint and will not process the complaint under these procedures if any of the following three circumstances exist:

- If the conduct alleged in the formal complaint would not constitute Title IX sexual harassment as defined in this procedure;
- If the conduct alleged did not occur in the College's education program or activity;
- If the conduct alleged did not occur against a person in the United States.

The College has discretion to dismiss a formal complaint or any allegation under the following circumstances:

- If at any time during the investigation or hearing: a Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the formal complaint or any allegations;
- If the Respondent is no longer enrolled or employed by the College; or
- If there are specific circumstances that prevent the College from gathering evidence sufficient to reach a determination regarding responsibility as to the formal complaint or allegations.

If the College dismissed the formal complaint or any allegations, the Title IX Coordinator shall simultaneously provide the Parties with written notice of the dismissal and reason. The College will also notify the Parties of their right to appeal.

The College may commence proceedings under other policies and procedures after dismissing a formal complaint.

Consolidation of Formal Complaints

Nicolet College may, but is not required to, consolidate formal complaints as to allegations of sexual harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one Party against the other Party, where the allegations of sexual harassment arise out of the same facts or circumstances.

Equitable Treatment of the Parties

Nicolet College's determination of responsibility is a neutral, fact-finding process. The College will treat Complainants and Respondents equitably. The procedures will apply equally to both Parties. The College will not discipline a Respondent unless it determines the Respondent was responsible for sexual harassment at the conclusion of the grievance process.

Statement of Presumption of Non-Responsibility

The investigation is a neutral, fact-finding process. Nicolet College presumes all reports are in good faith. Further, the College presumes the Respondent is not responsible for the alleged conduct. The College makes its determination regarding responsibility at the conclusion of the grievance process.

Bias or Conflict of Interest

Nicolet College's Title IX Coordinator, investigator, Decision-Maker, or any person designated by the College to facilitate an informal resolution process, will not have potential actual bias or conflict of interest in the investigatory, hearing, sanctioning, or appeal process or bias for or against Complainants or Respondents generally. Actual bias is an articulated prejudice in favor of or against one Party or position; it is not generalized concern about the personal or professional backgrounds, positions, beliefs, or interests of the Decision-Maker in the process. The College will ensure that the Title IX Coordinator, investigator, Decision-Maker, and facilitator receive training on:

- The definition of sexual harassment in this procedure;
- The scope of the College's education program or activity;
- How to conduct an investigation;
- The grievance process including conducting hearings, appeals, and informal resolution processes; and
- How to serve impartially, including avoiding: prejudgment of the facts at issue; conflicts of interest; and bias.

Timeline for Completion

Nicolet College will undertake its grievance process promptly and as swiftly as possible. The College will complete the investigation and its determination regarding responsibility or the informal resolution process within 180 calendar days.

When appropriate, the Title IX Coordinator may determine that good cause exists to extend the 180-calendar day period to conduct a fair and complete investigation, to accommodate an investigation by law enforcement, to accommodate the unavailability of witnesses or delays by the Parties, to account

for College breaks or vacations, or due to the complexity of the investigation. The College will provide notice of this extension to the Complainant and Respondent in writing and include the reason for the delay and anticipated timing of completion.

A Party may request an extension from the Title IX Coordinator in writing by explaining the reason for the delay and the length of the continuance requested. The Title IX Coordinator will notify the Parties and document the grant or denial of a request for extension or delay as part of the case recordkeeping.

Role of Advisor

The role of the Advisor is to provide support and assistance in understanding and navigating the investigation process.

The Advisor may not testify in or obstruct an interview or disrupt the process. The Title IX Coordinator has the right to determine what constitutes appropriate behavior of an Advisor and take reasonable steps to ensure compliance with this procedure.

A Party does not have a right to self-representation at the hearing; an Advisor must conduct any cross-examination. Nicolet College must provide an Advisor of its choice, free of charge to any Party without an Advisor in order to conduct cross-examination. If an Advisor fails to appear at the hearing, the College will provide an Advisor to appear on behalf of the non-appearing Advisor. To limit the number of individuals with confidential information about the issues, each Party may identify one Advisor.

Confidentiality Agreements

To protect the privacy of those involved, the Parties and Advisors are required to sign a confidentiality agreement prior to attending an interview or otherwise participating in the College's grievance process. The confidentiality agreement restricts dissemination of any of the evidence subject to inspection and review or use of this evidence for any purpose unrelated to the Title IX grievance process. The confidentiality agreement will not restrict the ability of either Party to discuss the allegations under investigation.

Use of Privileged Information

Nicolet College's formal complaint procedure does not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally-recognized privilege (e.g., attorney-client privilege, doctor-patient privilege, spousal privilege, etc.), unless the person holding the privilege provides voluntary, written consent to waive the privilege.

Investigations

The Title IX Coordinator is responsible to oversee investigations to ensure timely resolution and compliance with Title IX and this procedure.

Both Parties have the right to have an Advisor present at every meeting described in this section.

Trained investigators

Nicolet College will investigate Title IX formal complaints fairly and objectively. Individuals serving as investigators under this procedure will have adequate training on what constitutes sexual harassment

and how the College's grievance procedures operate. The College will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence and complies with this procedure.

Gathering Evidence and Burden of Proof

Nicolet College, not the Parties, has the responsibility to gather information and interview witnesses. When the investigator evaluates the evidence, he/she/they will do so using the preponderance of the evidence standard. After considering all the evidence gathered, the investigator will decide whether it is more likely than not that reported conduct occurred.

Notice of Investigative Interview

Nicolet College will provide written notice of the date, time, location, participants, and purpose of all investigative interviews to a Party whose participation is invited or expected, with sufficient time for the Party to prepare to participate.

Evidence Review

Both Parties have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the College does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a Party or other source.

Prior to the investigator preparing an investigative report, the College will send to each Party and the Party's Advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy. The Parties will have at least ten days to submit a written response. The investigator must consider this written response prior to completing the investigative report.

Investigative Report

The results of the investigation of a formal complaint will be set forth in a written report that will include at least all of the following information:

- A description of the circumstances giving rise to the formal complaint;
- A description of the procedural steps taken during the investigation, including all individuals contacted and interviewed;
- A summary of the testimony of each witness the investigator interviewed;
- An analysis of relevant evidence collected during the investigation, including a list of relevant documents;
- A specific finding as to whether the allegations occurred using a preponderance of the evidence standard;
- A table of contents if the report exceeds ten pages; and
- Any other information deemed appropriate by the College.

The investigator will not make a determination regarding responsibility.

The investigator may redact information not directly related to the allegations or privileged information. However, the investigator will keep a log of information he/she/they do not produce to the

Parties. The investigator will provide this log only to the Title IX Coordinator. The Title IX Coordinator will not disclose the log to the Parties but will maintain the log in the Title IX Coordinator's file, in the event it later becomes relevant.

At least ten days prior to a hearing or other time of determination regarding responsibility, the College will send the investigative report to each Party and their Advisors, if any, the investigative report in an electronic format or a hard copy, for review and written response. The Parties will have at least ten days to submit a written response.

Hearing

After completing an investigation and prior to completing a determination regarding responsibility, the College will hold a live hearing to provide the Complainant and Respondent an opportunity to respond to the evidence gathered before a Decision-Maker. Neither Party may choose to waive the right to a live hearing, but the Parties can choose whether to participate in the hearing or answer some or all cross-examination questions.

Notice

If Nicolet College proceeds to a hearing, the College will provide all Parties written notice of the date, time, location, participants, and purpose of the hearing with sufficient time for the Party to prepare to participate.

Hearing Format

Nicolet College may provide a live hearing with all Parties physically present in the same geographic location or, at the College's discretion if either Party requests, the College may provide any or all Parties, witnesses, and other participants the ability to appear at the live hearing virtually, with technology enabling participants simultaneously to see and hear each other in real time.

Nicolet College will make the information reviewed during the Evidence Review available at the hearing for reference and consultation. The College will not restrict the ability of either Party to discuss the allegations under investigation or to gather and present relevant evidence.

The College will create an audio or audiovisual recording, or transcript, of any live hearing and make it available to the Parties for inspection and review.

Decision-Maker

The Decision-Maker will be free from conflict of interest or bias, including bias for or against Complainants or Respondents. In cases where the Complainant or Respondent objects to the Decision-Maker on the basis of a conflict of interest, the Complainant or Respondent may request the Title IX Coordinator select a different Decision-Maker. The Complainant or Respondent must make this request to the Title IX Coordinator in writing at least five business days prior to the hearing.

The Decision-Maker may ask the Parties and the witnesses questions during the hearing. The Decision-Maker must objectively evaluate all relevant evidence both inculpatory and exculpatory and must independently reach a determination regarding responsibility without giving deference to the investigative report. The Decision-Maker must receive training on issues of relevance, how to apply the rape-shield protections for Complainants, and any technology to be used at the hearing.

Presenting Witnesses

Nicolet College will provide the Complainant and Respondent an equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. Witnesses, like Parties, are not required to participate in the live hearing process.

Only relevant evidence will be admissible during the hearing. Relevant evidence means evidence, including evidence relevant to the credibility of a Party or witness, having any tendency in reason to prove or disprove any disputed fact material to the allegations under investigation.

Cross-Examination

Nicolet College will permit each Party's Advisor to ask the other Party and any witnesses all relevant questions and follow-up questions, including those questions challenging credibility. The Party's Advisor must conduct cross-examination directly, orally, and in real time. A Party may never personally conduct cross-examination.

Advisors may only ask relevant cross-examination and other questions of a Party or witness. Before a Complainant, Respondent, or witness answers a cross-examination or other question, the Decision-Maker must first determine whether the question is relevant and explain any decision to exclude a question as not relevant. The Decision-Maker need not provide a lengthy or complicated explanation in support of a relevance determination. If a Party or witness disagrees with a relevance determination, that individual has the choice of either (1) abiding by the Decision-Maker's determination and answering the question or (2) refusing to answer the question.

If a Party or witness does not submit to cross-examination at the live hearing, the Decision-Maker will not rely on any statement of that Party or witness in reaching a determination regarding responsibility. A Party or witness may also decline to answer a question, and the Decision-Maker cannot rely on any statement on which that Party or witness has declined to answer cross-examination questions. A Decision-Maker cannot draw an inference about the determination regarding responsibility based solely on a Party's or witness's absence from the live hearing or refusal to answer cross-examination or other questions.

Determinations of Responsibility

When the Decision-Maker makes a determination of responsibility or non-responsibility, the Decision-Maker will issue a written determination regarding responsibility, no later than 20 business days after the date that the hearing ends.

When making a determination regarding responsibility, a Decision-Maker will objectively evaluate all relevant evidence, including both inculpatory and exculpatory evidence. A Decision-Maker may not make credibility determinations based on an individual's status as a Complainant, Respondent, or witness. In evaluating the evidence, the Decision-Maker will use the preponderance of the evidence standard. Thus, after considering all the evidence it has gathered, the College will decide whether it is more likely than not that sexual harassment occurred.

The written determination will include:

- Identification of the allegations potentially constituting Title IX sexual harassment as defined in these procedures;

- A description of the procedural steps taken from the receipt of the formal complaint through the determination, including who conducted the investigation and gave notifications to the Parties. The determination will also state when, where, and the date the investigator interviewed the Parties and witnesses, conducted site visits, the methods used to gather other evidence. The procedural section should also discuss the dates and how the Parties were provided the opportunity to review and inspect evidence and the date of any hearings held and who attended the hearing;
- Findings of fact supporting the determination. In making these findings, the Decision-Maker will focus on analyzing the findings of fact that support the determination of responsibility or non-responsibility;
- Conclusions regarding the application of the College's code of conduct to the facts;
- A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility;
- A statement of, and rationale for, any disciplinary sanctions the College imposes on the Respondent;
- A statement of whether the College will provide the Complainant with remedies designed to restore or preserve equal access to the College's education program or activity;
- Nicolet College need not disclose to the Respondent remedies that do not affect him/her/them as part of the written determination. The College can inform the Respondent that it will provide remedies to the Complainant. However, the College will inform the Complainant of the sanctions against the Respondent;
- The College's procedures and permissible bases for the Complainant and Respondent to appeal.

The College will provide the written determination to the Parties simultaneously. The determination regarding responsibility becomes final either on the date that the College provides the Parties with the written determination of the result of the appeal, if the Parties file an appeal, or if the Parties do not file an appeal, the date on which an appeal would no longer be timely.

Disciplinary Sanctions and Remedies

Nicolet College must have completed the grievance procedures (investigation, hearing, and any appeal, if applicable) before imposing disciplinary sanctions or any other actions that are not supportive measures against a Respondent. If the Decision-Maker determines the Respondent was responsible for conduct that constitutes sexual harassment, the College will take disciplinary action against the Respondent and any other remedial action it determines to be appropriate. The action will be prompt, effective, and commensurate with the severity of the offense.

Remedies for the Complainant might include, but are not limited to:

- Providing an escort to ensure that the Complainant can move safely between classes and activities;
- Ensuring that the Complainant and Respondent do not attend the same classes or work in the same work area;
- Providing counseling services or a referral to counseling services;
- Providing academic support services, such as tutoring;
- Arranging for a Complainant, if a student, to re-take a course or withdraw from a class without penalty, including ensuring that any changes do not adversely affect the Complainant's academic record; and
- Reviewing any disciplinary actions taken against the Complainant to see if there is a causal connection between the harassment and the misconduct that may have resulted in the Complainant's discipline.

Possible disciplinary sanctions for student Respondents include written or verbal reprimand, required training or counseling, non-academic probation, suspension, and expulsion. Possible disciplinary sanctions for employee Respondents include written or verbal reprimand, required training or counseling, reduction in pay, demotion, suspension, or termination.

Appeal of Dismissal of a Formal Complaint or of the Determination of Responsibility

A Complainant or Respondent may appeal the College's determination regarding responsibility or the dismissal of a formal complaint or any allegations. A Complainant or Respondent must submit a written appeal within 10 days from the date of the notice of determination regarding responsibility or from the date of the College's notice of dismissal of a formal complaint or any allegations.

Grounds for Appeal

In filing an appeal of the College's determination regarding responsibility or the College's dismissal of a formal complaint, the Party must state the grounds for appeal and a statement of facts supporting those grounds. The grounds for appeal are as follows:

- A procedural irregularity affected the outcome;
- New evidence was not reasonably available at the time the College's determination regarding responsibility or dismissal was made, and this new evidence could affect the outcome; or
- The College's Title IX Coordinator, investigator, or Decision-Maker had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome.

Appeal Procedure

If the Complainant or Respondent submit an appeal to the College, the College will:

- Notify the other Party in writing within 5 days of receiving a Party's appeal;
- Allow the non-appealing Parties at least 10 days from the date of receipt of the appeal to submit a written statement in support of, or challenging, the outcome;

The appeal Decision-Maker will issue a written decision on whether to grant or deny the appeal, and the rationale for the decision, 45 business days after the Decision-Maker on appeal receives the response to the appeal or the last day to provide a response. The College will provide the written decision simultaneously to both Parties.

The Decision-Maker on appeal may extend or otherwise modify the deadlines provided above. Either Party may seek an extension by submitting a written request to the appeal Decision-Maker explaining the need for the extension and the proposed length of the extension. The Decision-Maker will respond to the request within 48 hours in writing and will inform the Parties simultaneously whether the extension is granted.

Informal Resolution

If the College determines that a formal complaint is appropriate for informal resolution, it may provide the Parties with the opportunity to participate in an informal resolution process, including mediation, at any time prior to reaching a determination regarding responsibility.

The College will provide the Complainant and Respondent written disclosure of the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the Parties from resuming a formal complaint arising from the same allegations, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

The College must obtain the Parties' voluntary, written consent to the informal resolution process. If the Parties reach an agreement, the College does not have to complete a full investigation and adjudication of a report of sexual harassment. At any time prior to agreeing to a resolution, any Party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint.

The informal resolution process is not available to resolve allegations that an employee sexually harassed a student.

Retaliation Prohibited

Nicolet College prohibits any intimidation, threats, coercion, or discrimination against any individual who made a report or complaint of sexual harassment, testified, assisted, or participated or refused to participate in any manner in a Title IX investigation, proceeding, or hearing. Individuals who experience retaliation may file a complaint using the formal complaint process described above.

Dissemination of Policy and Procedures

Nicolet College will provide its policy and procedures related to Title IX on its website and in each handbook or catalog provided to applicants for admission and employment, students, and employees.

When hired, employees are required to sign acknowledging that they have received the policy and procedures. The College will place the signed acknowledgment of receipt in each employee's personnel file.

Training

Nicolet College will provide training to Title IX Coordinators, investigators, Decision-Makers, and any individual who facilitates an informal resolution process, on the definition of sexual harassment, the scope of the College's education program or activities, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Any materials used to train the College's Title IX Coordinator, investigators, Decision-Makers, and any person who facilitates an informal resolution process, will not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment.

File Retention

Nicolet College will retain on file for a period of at least seven years after closing the case copies of:

- The original report or complaint;
- Any actions taken in response to the complaint, including supportive measures;
- The investigative report including all evidence gathered and any responses from the Parties;

- The College's determination regarding responsibility;
- Audio or audiovisual recording or transcript from a hearing;
- Records of any disciplinary sanctions imposed on the Respondent;
- Records of any remedies provided to the Complainant;
- Any appeal and the result;
- Any informal resolution and the result; and
- All materials used to train Title IX Coordinators, investigators, Decision-Makers, and any person who facilitates an informal resolution process. The College will make these training materials publicly available on its website.

Nicolet College will make these documents available to the U.S. Department of Education Office for Civil Rights upon request.

CLERY ACT ADDENDUM REQUIREMENTS

The Campus SaVE Act (the "SaVE Act" or "Act") applies to almost all institutions of higher education since it is directed toward those that participate in financial aid programs under Title IV of the Higher Education Act of 1965. It became effective on March 7, 2013 as part of the Violence Against Women Reauthorization Act (VAWA) and amends the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (known as the Clery Act).

The Act requires higher education institutions to report crime statistics and disclose security-related information in several ways:

It adds offenses involving domestic violence, dating violence, and stalking to the crimes that institutions must report and include in their annual security reports (ASR).

It expands the categories of reportable "hate crimes" to include those based on bias against gender identity or national origin.

The policy statements filed as part of the ASR must now include detailed descriptions of the institution's internal procedures in cases of domestic violence, dating violence, or stalking, as well as descriptions of its education and prevention programs.

AP 4.05 ALCOHOL AND DRUG USE POLICY

**POLICY**

Title: Alcohol and Drug Use	Number: AP 4.05 Adopted: March 1995 Reviewed: March 2020 Revised: November 2019
-----------------------------	--

The College will adhere to all federal, state, tribal, and local laws concerning the use of alcohol and other drugs and will support efforts to address violations of these laws.

The College recognizes that the use of alcohol and other drugs may impair performance or safety, may interfere with proper functioning or behavior, and in certain instances leads to dependency. The College also recognizes that such chemical dependency is a serious illness. An employee or student needing help with dependency is encouraged to seek the appropriate medical and other community resources.

Possession, manufacturing, sale, distribution, unauthorized use, or being under the influence of controlled substances, illicit drugs, or alcohol by anyone while on College controlled property, at any College sponsored or related activity, or while operating a College owned/leased vehicle is strictly prohibited. Violations of this policy will result in disciplinary action.

Exceptions

Drugs prescribed by a person licensed to prescribe or dispense controlled substances, or drugs used in accordance with their instructions, are not subject to this policy. Students or employees using any substances or drugs that cause drowsiness or other side effects that may impair their ability to perform their tasks properly and safely are obligated to inform the supervisor and/or instructor of such medications. Individuals will not be allowed to operate equipment or perform activities that have the potential for injury to themselves or others if impairment is suspected.

The possession, manufacturing, sale, distribution, and unauthorized use of alcohol on College premises is prohibited with the exception of preparation and cooking of foods in the culinary arts courses, providing of beverages at functions authorized by the College President or designee, or controlled use in law enforcement training.

A written request must be submitted to the President for authorization to use or serve alcohol at the College. A licensed bartender and valid liquor license or licensed catering service is required when providing alcohol at College functions.

Documenting Authorized Use

Documentation of Authorized Use shall be maintained in the office of the Director of Risk, Compliance, and Security.

Referral of Suspected Violations

In an emergency, call 9-1-1. Employees must immediately refer anyone showing behavioral evidence of alcohol or illegal drug use to The Director of Risk, Compliance, and Security, a Campus Security Officer, Human Resources, a Supervisor, or an Executive Leadership Team member.

Employees must immediately (or as soon as practical), report anyone showing behavioral evidence of alcohol or illegal drug use to Campus Security or the Emergency Response Team.

Employees must refer any employee or individual under the following circumstances:

- Believed to be in violation of this policy.
- Exhibiting signs, symptoms, or indications of an alcohol or other drug-related problem.
- Self-disclosing of alcohol/drug-related use that places them or others at risk or in imminent danger.
- Judged to present a risk of imminent danger to self or others.

Self-Reporting for Student Citation, Arrest, or Conviction

In the event that a student is cited or arrested for an alcohol or drug-related offense while involved in a College-related activity (on or off campus) the student must notify the Director of Risk, Compliance, and Security within 48 hours or as soon as practicable thereafter. Failure to do so will result in a referral to a Student Conduct Officer and appropriate disciplinary action may be taken up to and including expulsion.

Self-Reporting for Employee Citation, Arrest, or Conviction

In the event that employees are cited or arrested for an alcohol or drug-related offense while involved in a College-related activity (on or off campus), the employees must notify their immediate supervisor and the Director of Human Resources within 48 hours or as soon as practicable thereafter. Failure to do so will result in appropriate disciplinary action up to and including termination.

As mandated by the Drug Free Workplace Act of 1988, employees must, as a condition of employment, report any criminal drug statute conviction for a violation occurring on or off College premises while conducting College business. A report of the conviction must be made to the Director of Human Resources within five (5) days after the conviction. Failure to provide this notification in the required timeframe will result in appropriate disciplinary action up to and including termination.

Employees may be required to participate in an appropriate rehabilitation program. Successful completion of an appropriate program, including an after-care plan, may be a requirement for continued employment. Any employee testing positive following completion of a rehabilitation program will be subject to discipline action up to and including termination.

Reasonable Suspicion

The College may require an employee to consent to testing for use of alcohol, illegal drugs, or unauthorized use of prescription drugs for any of the following reasons:

- Reasonable suspicion.
- Employee involvement in a work-related accident involving bodily injury or damage to property.
- As required or authorized by state or federal law.

- After the employee returns to work following completion of a rehabilitation program and periodically thereafter.

Employees withholding consent for required testing may be subject to disciplinary action, up to and including termination.

The College will take all reasonable precautions and comply with applicable state and federal laws and regulations pertaining to employee privacy and confidentiality of test results. Violations of this policy, confirmed positive test results, or refusal to consent to testing, may result in disciplinary action pending a thorough investigation by the College.

Transportation to a Medical Facility

Nicolet College reserve the right to contact emergency services (9-1-1) to respond to any individual whom – based on a reasonable suspicion – appears to be under the influence of drugs and/or alcohol while on the Nicolet College campus or any of its off-campus outreach location.

Employees that have consented to drug and alcohol testing will be transported to the appropriate medical facility by appropriate agents of the College. Nicolet College reserves the right to contact emergency services (9-1-1) should the employee withhold consent for testing.

Annual Cleary Crime Statistics

Nicolet College complies with the Jeanne Clery Disclosure Act and prepares an annual report of crimes that have occurred on campus and at outreach centers. The report can be found on the College website on the security page, or may be obtained from Campus Security. As required by law, the report is also distributed to students and staff each year by October 1. Campus crime, arrest, and referral statistics include those reported to local law enforcement and to College officials, including anonymous reports. In an effort to obtain the statistics from local law enforcement, Campus Security makes a written request to each local law enforcement agency to obtain a listing of any crimes they had reported to them and/or they had investigated. The reported crimes are also maintained in a daily crime log, which is located on the College website on the security page.
